Thank you

To the Community of Macklin,

It has truly been an honour to serve the residents of Macklin for 27 years, as both councillor and mayor. My goal was to serve Macklin responsibly, honestly and to the very best of my ability. Thank you to this community for giving me that opportunity. There have been many accomplishments throughout my years on council and it is only because of the members of this community working together that these achievements have been possible. I would like to thank the town staff for their dedication to the community and the great work they have done. I would like to acknowledge our town administrator, Mr. Kim Gartner. His guidance and support of the staff has been essential in the accomplishments seen in the community during my 17 years as mayor. I also want to thank the members of council that I have had the pleasure to work with. The efforts of many were required to see the gains our community has made during my time as mayor and I am grateful for those that dedicated their time to make these achievements possible. I will forever love the community entrusted to me during my tenure.

I would like to wish the very best to the mayor elect and council. I ask the community to support the new incoming council in the same way that my fellow counsellors and I have been supported in the past. Much still needs to be done and will need the support of the community to continue to move forward.

**Thank you,
Patrick Doetzel**

Catholic Women's League Milestones

As this year approaches its end, St. Mary Council, Macklin of the Catholic Women's League of Canada would like to acknowledge some very special anniversaries that happened in

2020. St. Mary's CWL in Macklin was established on March 19, 1940. This year marks our 80th anniversary as a council. Despite the challenges that were faced this year, we are very proud to have had a successful 80th year.

On June 17 of this year, the national CWL also celebrated its 100th anniversary. St. Mary's Macklin has planted a tree in St. Joseph's Park to commemorate this anniversary. We hope that in the future this tree will branch out to offer protection to many new members of our league as well as our other community members.

Each year, our CWL council recognizes the milestone membership anniversaries of our members. This year recognized for 25 years of service were Marybeth Erker, Brenda Gartner, Elizabeth Gartner, Brenda Gerling, Janice Heffner, Shirlianne Neufeld, and Karen Stang. Celebrating 50 years were Eleanora Brost and Elsie Steinhubel, with an amazing 60 years were Josephine Scherger, Gwen Stang and Irene Stang and celebrating an incredible 65 years was Theresa Stang. We would like to thank all of these ladies for their dedication 'To God and Canada'.

STANG, Jacob Alex

December 22, 1936 ~ November 16, 2020

Jacob Alex Stang, a loving father, grandfather, and great grandfather passed away suddenly on November 16, 2020 at the age of 83 in the comfort of his own home.

Jacob, known by all of his loved ones as Jack, is survived by his children Darrell (Shely), Gary (Janice), Connie (Bill), His grandchildren Jill (Dustin), Kylie (Simon), Derek (Kelly), Melanie (Spencer), Shawn, Jane (Ben) and great grandchildren Amelia, Bensen, Hayden and Laney.

Jack was born in Macklin Saskatchewan on December 22, 1936 to Michael Stang and Emilia Haag. Jack lived a fulfilling life working on the DEW Line then moving on to work at Crown Zellerbach. Jack finished his career at Alberta Brewers Association (ABA) which later became Brewers Distributors, where he ultimately retired at the age of 60. His main passion in life was his family. From Sunday morning pancakes while watching NFL Football, that would continue into late night Chinese food delivery. His unconditional love for his great grandchildren, which on occasion resulted with him getting peed on because he loved them too much to let go. His never-ending great stash of mini chocolate bars that would be readily available for us at every visit. His caring interest in our hobbies from collecting coins, knife making, and our love for our pets. Most of all, his selfless ability to always be there for us whenever we needed him. There are not enough words in the English dictionary to describe how great of a man Jack really was, and always will be. We cannot wait to meet you again at the white pearly gates of Heaven with your extra-large Tim Horton's coffee with two cream, in hand.

A Celebration of Jack's life will take place at a later date.

Letter from the Chief

Hello Everybody. As strange as it seems to be saying this already, Merry Christmas to everyone. More than any year in my memory we have to say "Merry Christmas!!" I believe we all will have to be a little kinder and more patient this holiday season. We are all struggling and adjusting to constantly changing and added restrictions. We are all in this together people. Watch out for each other and help people who need extra help getting groceries etc. I have seen lots of posts on Facebook where people are thanking neighbors or strangers for moving the snow off their driveways or sidewalks..

Those are the things that make our town so great!! That is the spirit of Christmas and we all need a little (or big) boost right now. Keep on looking out for each other!!!

Remember to be safe and use care when using cords for lighting up houses or trees. Be very careful if you have a real tree. They can dry out and become very very flammable. Also use extreme caution on lakes and sloughs. The heavy snow we had has insulated the water and the ice might not be nearly as thick as you think. Use care and common sense when ice fishing or snowmobiling on lakes and bodies of water!!

2020 has been a very interesting and challenging year for everyone. It has certainly changed the way we do things at the hall and how we conducted our meetings. I can't wait until things get back to normal.

We did start attending birthdays for the children who weren't allowed to have their friends over because of the new rules. We would drive up to the house with our lights and sirens going and stop on the street for a quick hello and happy birthday. It was great to see the smiles on the faces of the young ones standing on their drive ways. We attended over 20 birthday parties from April until the end of June. We had the honor of being asked to lead a drive by for Nash Bartlette. It was great to see all the signs of support and all the community members show up to support this fine young lad. We also participated in a parade for the 2020 Graduation Class. Due to all the restrictions, grad celebrations were very limited and we were glad the community got a chance to see them all dressed up. They were a pretty sharp looking class. Good luck to all of them in the future!!

We have attended 4 accidents, had 4 false alarms so far this year. We have been to 15 other emergency scenes this year. We had a big storm blow through town that knocked down several power poles and created all kinds

of hazards. Luckily we had no reports of any injuries that day and night. Please remember a downed power line can be energized at any time. Stay far away from these areas until the power company says it is safe to be in these areas. We also attended a major shop fire. The call came in at 2.02 A.M. and we were on that scene until the sun came up and then back to our regular jobs. I would like to thank all the members that attended that call. You all did a great job!! I would also like to thank the places of employment where our members work. Thank you for being so understanding when some of your employees were a little late for work that morning. Your support is very important to us!! Our new truck works great and has exceeded our expectations in many ways!!! What a valuable asset that truck has been.

We also have 2 new members this year. Welcome aboard James Stang and Shaun Bourgeois. You guys have definitely had to learn some things very quickly!! We are glad to have you!!!

I would also like to thank all the members of our Fire Department. Your dedication and professionalism make me very proud to be the chief of such a fine department.

Thank you also to the families of the members for their support and understanding. Thank you for being part of the support system and being there when we come home after a tough call. Your support lets us keep doing what we do!!!

Thank you to the members of the Fire Board for you time and dedication!! Your commitment to improving our Department is greatly appreciated. Most people don't realize all the behind the scenes work that you fine people do. Thank you Corrine for all the paper chasing you do for the board and the department!!! Thank you's don't seem like enough for all of the people mentioned above but that's what makes a Volunteer Fire Department like ours something I am so proud of!!

2020 had definitely been one for the books. I think most of us are ready to change our calendars and see what 2021 has planned for us.

MERRY CHRISTMAS!!!! to all of you and your families from all of us at Macklin and District Fire and Rescue!!!

Take care of yourselves and each other!!!

Macklin Foodbank Donors

Like everyone else, the Macklin Food bank has had to deal with the challenges of 2020. We have had to change the way we help our clients and the way our partners support us. We would like to take the time to thank two of our supporters.

Greg Rissling of Denzil has a love for John Deere farm equipment from days gone by. He has combined his love of restoring and operating it by sharing it with us. Again this year he used equipment he has restored to take off a crop of wheat. His John Deere row tractor and #12 Harvester thresher, a wheat crop which was then delivered to Viterra Luseland, who then matched the proceeds to support community groups in Denzil and Luseland and the Macklin Foodbank. In October the Macklin Kinettes undertook a food drive to restock our shelves. October is when we start planning for our Christmas Hamper campaign.

The Kinettes worked out a way to canvas, collect and deliver food to our shelves and follow the current health guidelines. On October 31st they provided over 700 kgs of food to us.

With the money from Greg's Heritage Harvest and the shelves stocked by the Kinettes, we will make it thru our busiest time of the year and enter 2021 in good form. A very heartfelt thankyou to all our supporters for the work you do to keep us providing for our community

In Loving Memory of

CARL REHMAN

SEPTEMBER 3, 1932 - NOVEMBER 4, 2020

Carl Andrew Rehman was born on September 3, 1932 in Macklin Sask. He was the third of seven children born to Frank X and Mary Rehman. He grew up on the family farm located on the Saskatchewan side of the border road between Macklin and Provost. Carl attended Meadowlands School until he completed Grade 6. He struggled with undiagnosed dyslexic and autistic challenges. Reading and writing didn't come easy and he had to work hard to pass his grades. His father pulled him from school at the age of 14 so that he could help out on the farm. Being the oldest boy in the family, he was required to take on a lot of responsibilities early on. He loved animals, especially dogs, but horses not so much. Being that he had to work with them, they were unappealing to him.

Carl met his future wife, Irma Schiller, when he was very young. Irma's family owned the Schiller Bakery in Macklin. He would someday reminisce, "I loved her from the moment I first saw her. She was pretty and always kind." He was devastated when she left for the convent. Long story short, she returned nine years later, and they rekindled their friendship and fell in love. They were married in June of 1962. Together, they raised six children and made their life on the family farm.

Carl and Irma worked very hard to keep the wolf from the door, especially in the years that Operation Lift prohibited the right to sell wheat. Despite the challenges that were thrown at them, they managed to keep the family fed and the bills paid. Carl's work ethic was second to none, but Sundays were revered as a day to attend Mass, to rest and to spend with his wife and kids. After church, while Irma prepared lunch, Carl would put on one of his favourite old time dance records and he would dance with the kids in the living room, teaching them the fox trot, the waltz and the polka. The little ones got to stand on his feet while he carefully moved them in time to the music. Sundays were also for gopher hunting, trips to Dilberry Lake, picnics, playing board games or visiting with the neighbours and playing cards. Sometimes, just for the fun of it, he would announce, "Who wants to go for a drive?" He would pretend to be lost on the backroads and the next thing they knew, they would be at a destination he had in mind all along.

Carl loved music. He sang out loud to every Johnny Cash, Marty Robbins and Burl Ives song. You couldn't keep him in his chair at a dance, either. Once Irma's legs were tired, each daughter, sister, mother, aunt and neighbour lady got asked if they would like to dance.

In 1997, Carl turned the farm over to his two sons, but chose to continue living there to assist with the Border Bison Enterprise that slowly evolved. He took great pride in the Bison venture and helped where he could with the herd. He enjoyed selling bison meat and Irma's handmade moccasins at the Farmers Market in Provost. Their Bison burgers became well known in the local and surrounding areas.

Carl loved hockey. He tried to take in all the NHL games on TV but nothing pleased him more than an exciting Macklin Mohawk game at the local rink. He would talk about it for days after.

Carl was no stranger to the curling rink either. He curled in the league for 69 straight years. He was really hoping to make 70, but ill health prevented him from hitting the ice one last time.

Carl was a member of the Knights of Columbus. He had a deep respect for the members and for the fraternal service order. He enjoyed the game of Bunnock and the annual tournament held down at the lake each year. Playing Bingo and going to the casino in his later years were indulgences he allowed himself.

Carl loved the simple pleasures of life: coffee time, harvest time, the smell of hay, the cold nose on a dog, and the warmth of a bonfire. His favourite meal: BBQ Ribs.

He took pride in his kids and discovered joy when he became a Grandpa. Holding a little hand was an experience that he savoured. Each grandchild was a treasure. He attended ball games, school events, music festivals and graduations, always bragging to others, "That's my grandson at the bat" or... "That's my granddaughter with the beautiful voice." He would sit amongst his granddaughters on the couch at Christmas and say, "I probably look like a thorn amongst all these beautiful roses!"

Carl tried his best to remain active and motivated after Irma passed away in 2013, but the light in his eyes became much dimmer. He fell ill in 2018 and after a lengthy stay in hospital, was transferred to the Long Term Care Facility in Provost. He appreciated the compassion and care and the friendly atmosphere there. When his daughter, Laurie, asked him a few weeks ago if there was anything he wanted her to bring to him, he replied, "I have everything I need. Just bring me love." Carl is survived by his children: Melody (Tracy) Kuhn of Reward, SK and their children: Nathan (Heather), Daniel (Kristy), Mandy (Andrew) Herrick, Brian (Kaitlyn), Janelle (Justin) Fischer, Jaylon (Hannah), Alison (Cam) Hollman, Brett, Tyrell and Dallan; Bob Rehman of Macklin, SK; Laurie Letain of Provost, AB and her children, Luke, Cole and Liam; Mark of Stettler, AB and his children, Kelsey and Hannah; Verlie (Lyle) Liebrecht of Unity, SK and children Amy (Ty) Comeau, Ty, Jenifer and Kaylee; and Donna Punk of Humboldt, SK and her children, Dylan (Megan), Tristan, Declan and Jade. Carl is great-grandfather to Olivia, Beau, Leo, Wrenley, Waylen, Asher, Tru, Addelyn and three more on the way. Three sisters: Elsie Locher of Provost, AB; Hertha Broschak of Provost, AB; and Margaret McNarland of Saskatoon, SK; two sisters-in-law, Ann Rehman of Lloydminster and Elsie Chaluck of Creston, B.C.; and one brother-in-law, Isaac Zacharias of Dawson Creek, B.C.; as well as numerous nieces, nephews and relatives.

He was predeceased by: his wife, Irma; his parents, Frank X and Mary Rehman; brother, Herman Rehman; sisters, Sr. Anne Marie Rehman and Hilda Sliva; brothers-in-law, Murray McNarland, Frank Broschak, Ernie Locher, and Mike Sliva. Also, parents-in-law, Carl and Nellie Schiller; brother and sisters-in-law, Allan (Mary) Schiller, Harold (Doris) Schiller, Edmond (Erma) Schiller, Elmer (Dorothy) Schiller, Ervin Schiller, Ethel Schiller, Veronica Schiller, Hazel (Don) Chaluck, Lawrence Chaluck and Loretta Zacharias.

Thank You

The Carl Rehman family would like to thank Dr. Malan and the staff at Provost Long Term Care for their care and compassion for dad over the past 2 years. We'd also like to thank Fr. Binu and Fr. Christopher for their comforting words at the funeral, and Larry Stang and the choir for the beautiful music. For all those who attended the funeral, including the Knights of Columbus and members of the curling club, and for those who couldn't attend, thank you for your thoughts and prayers. To all friends and family who brought food, flowers and donations, we appreciate your thoughtfulness.

Melody, Bob, Laurie, Mark, Verlie and Donna and their families

What should I do with the snow from my driveway?

It is the policy of the Town of Macklin to clear snow from all streets as soon as possible after a large snowfall with the equipment available.

When clearing the snow from your sidewalks or driveway please make every effort possible to deposit this snow onto your own property. By blowing, shoveling or moving the snow from your driveway or sidewalk onto the street you are compounding what already is a daunting task. We understand that there are certain circumstances where this is not possible and in these extreme cases the street is the only option. Your assistance while removing your snow will allow the Town maintenance staff to quickly and efficiently clean snow from our streets.

Please make sure you are visible and give plenty of distance to Town snow removal equipment when clearing streets.
