MACKLIN WILDLIFE 2020 SCORING

Due to the pandemic and its restrictions the Macklin Wildlife Federation was unable to hold our Annual Awards Banquet. However, Macklin Wildlife held two scoring nights one on December 6, 2020 and last on January 9, 2021.

We felt it only right to acknowledge the people who successfully took part in the Big Game, Fishing and Water Fowl categories.

Macklin Wildlife hope to see everyone at the 2022 Supper.

Congratulations to this year's winners;

Swimming Pool Employment Opportunity

The Alliance Pipeline Aquatic Centre (operated by the Macklin & District Aquatic Center Inc.) is now accepting applications for full and part time positions.

The successful applicant for Head Guard must be at least 18 years of age, have current NLS or Red Cross Lifeguard, WSI, First Aid, CPR-C, WHMIS and a pool operator's course. LSI and WSIT would be an asset. A minimum of two years of pool experience is preferred. This position requires a self-motivated individual to perform staff management and other duties.

Applicants for positions of Junior Lifeguard must be a minimum of 15 years of age and have their Bronze Cross Certification or Red Cross Lifeguard Assistant, current First Aid and CPR-C. Senior Lifeguards/Instructors require NLS or Red Cross Lifeguard and WSI certificates as well. Preference will be given to more experienced applicants with NLS or Red Cross Lifeguard and additional courses. All positions include lifeguarding, pool maintenance and other related duties.

Position of Head Guard will tentatively commence mid-May and other staff on May 25, 2021 although we may consider applicants that are available later in the summer. Applications will be accepted until February 26, 2021. Competitive wages will be offered. Questions can be directed to Donna Lynn McIntyre at (306) 753-7779.

SAFE WINTER WALKING TIPS

Helpful Hints When Walking on Snow or Ice

- Plan ahead, give yourself sufficient time and plan your route.
- Traffic moves slowly in snowy conditions.
- Give yourself extra time--don't assume a clear path for driving and walking will be available.

Wear shoes or boots that provide traction on snow and ice.

- Footwear made of rubber and neoprene composite provide better traction than plastic and leather soles.
- Wear flat-soled shoes. Avoid shoes with heels.
- Products are available with abrasive soles or cleats that provide special traction for walking on snow and ice, such as Yaktrax. [Remember to remove when entering buildings.]

Use special care when entering and exiting vehicles, climbing or descending stairs, entering or leaving buildings.

- Move slowly.
- Remove snow/water from shoes when entering buildings.
- Use handrails for support.
- Try to keep your center of gravity over your support leg.
- Use car for support.
- Keep your hands out of your pockets.

Walk on designated walkways as much as possible.

- Don't take shortcuts over snow piles or areas where snow and ice removal is not feasible.
- Look ahead when you walk. A sidewalk completely covered with ice may require travel along its grassy edge for traction.
- Don't text or read while walking.

Walk safely on snow or ice.

- Take short steps or shuffle for stability.
- Bend slightly forward and walk flat-footed with your center of gravity directly over your feet as much as possible.
- Keep your hands out of your pockets.
- Be prepared to fall. If you fall, fall with sequential contacts at your thigh, hip and shoulder. Avoid using outstretched arms to brace yourself.

For the 2021 year, the Chamber is doing an internal "Rewards Program" with our memberships. One of the perks of winning will be to have your business showcased in the next month's Hometown Connection, as well as being given \$150 from the Chamber to do something with; Random act of kindness, Business raffles or promotions, buy your staff a meal, etc.

RBC Royal Bank

Year it was established: 1908

of Employees: *We have 4 local employees and 4 that we share with Lloydminster branch, a business lender, a commercial lender, a mortgage specialist and a retirement planner*

What's been the biggest challenge for your business over the years?

Adapting to the technology changes and this past year redesigning our business to work through COVID 19

What's the best perk for your business in a small town??

We have the opportunity to get to know our clients, be on their life path, offer advice and help them achieve their goals.

Advice to an Entrepreneur looking at starting up a small business'

Have a dream, do some research in the industry you are interested in, study other like businesses for their successes and failures. Engage a support team such as an accountant, lawyer and banker to get feedback. Then work hard to succeed.

What advantages does Macklin have over other communities of its size for Small business?

Macklin has a fairly even distribution of age demographics. Macklin has an active Chamber, newer facilities and people willing to volunteer.

What is your plan for the \$150 Chamber Member rewards you just received?

Each member of our team is adding some personal funds to match the \$150 to make \$300.00. We are then going to contribute \$100 to each the Villa Marie and St. Joseph hospital to use for an activity as they are shut in and the other \$100 will go to the local food bank.

Sister B's Cafe

Year it was established: 2018

of Employees: 4

What's been the biggest challenge for your business over the years? *Our biggest challenge has been adapting, especially this last year through the current pandemic, changing our business structure and keeping open minded about the changes. We have had to be creative over the last year to keep business as usual. We went through many changes including take out only, and reduced capacity. I will say we did not put in our business plan to go through a pandemic our second year of business!*

What's the best perk for your business in a small town?? *Small town business is great! We know many of our customers on a very personal basis. The support we have received from our community is amazing and we are grateful to all our customers.*

Advice to an Entrepreneur looking at starting up a small business' *Our advice would be to plan for the extras, do your research. By this I mean we overlooked a lot of little things, nothing major, but unexpected things do come up. Our business plan was very accurate when compared to our first year of business. And stick to your budget, this is huge especially when starting up.*

What advantages does Macklin have over other communities of its size for Small business? *Our customers are great, they are loyal, and they give us feedback which we appreciate. It helps us tweak our food and drinks and improve our overall business.*

What is your plan for the \$150 Chamber Member rewards you just received? *We would love to give it back to our customers to show our appreciation to them. We will be running 4 draws for the month of February. We will post the draw info on our business page on FB so make sure you check it out. Thank you Macklin Chamber 😊*

Letter from the Chief

What does it mean to be the Fire Chief on a Volunteer Fire Department?? Well, it means a lot of things...some good, some not so good. It means introducing yourself to someone who has never been in the hall before, showing them the equipment we have, and what we expect from them should they join our department. It means making sure they get the training they need on this equipment so they can use it safely when they have to. It means making sure all the equipment and gear we use is functioning properly and is certified for us to use so we can keep insurance rates as low as they can be and that our members have the best possible tools to respond to calls. It means meetings! Meetings with salesmen, truck builders, firemen's meetings, fire board meetings and meetings with businesses or corporations who want to know about our department and how or if they can help. It means ongoing training and new courses to learn what is changing and what new challenges we might face. It means working on a budget with the fire board and department members to make sure our department can keep operating at such a high standard. It means writing letters and applying for grants if and when they are available. It means staying in touch with our dispatch center to make sure our call out list is up to date. It means helping the STARS helicopter land on a highway when you're supposed to be on the bunnock courts. It means seeing the look on the face of a friend when you pull into their yard with all your trucks and his shop is fully engulfed in flames. It means working together as a team for almost 2 hours to free someone from a particularly nasty accident scene. It means sitting with your crew after a tough call and making sure the new guys and the veterans are going to be okay! It means getting to spend time with young students during Fire Prevention Week or teaching the fire safety part of the babysitter's course. It means having a child wave at you and say "I know you, you're the Fire Chief! I made my mom check our smoke detectors!!" It means staying on a scene for 21

hours straight because sometimes things get complicated. It means a summer barbeque and a Christmas party. It means you might have to respond to a fatal car accident on Christmas Eve. It means not knowing what the next call will be but knowing my crew will be leaving the hall in less than nine minutes when that call comes. It means false alarms. It means helping set up and light the fireworks at the Bones tournament. What a blast!! It means helping arrange parades for Grads or the Chamber of Commerce or stopping at a young one's birthday party and seeing the big grins on their faces when we pull up with lights and sirens. It means getting up at 2:02 A.M. and fighting a fire all night and having the alarm on your phone go off while you're still battling the fire. Time to get up for work....wait, what? It means having an understanding boss when you leave work on a moment's notice. It means time away from your family and realizing how lucky you are that your wife and family support you in what you are doing!! It means being proud to be able to serve the people of Macklin and District! It means PRIDE in being able to work with the dedicated people who give their valuable time to serve on the Macklin and District Fire Board. It means being very proud and honored to work and train with all of the members of Macklin and District Fire Rescue! We are a diverse group of individuals but we are a great team!! It means doing one of the most satisfying and rewarding things you can do. It means after 8 years as the Deputy and 6 years as the Chief I can step down as Chief and hand the stripes over to Justin Bast. Justin has been chief before, and he knows what he is getting into. The Department is in very capable hands!!! It means I'll probably still be writing these updates because the new chief says I do a good job!!!! Be safe out there and be kind to one another.

THANK YOU!

Each year Saskatchewan Lotteries, through the Community Grant Program, assist thousands of volunteer organizations in communities that offer sport, culture and recreation opportunities for Saskatchewan residents.

The Macklin and District Recreation Board is the distributing agency for our community; this board is comprised of individuals representing the Town of Macklin, The Rural Municipality of Eye Hill and the community at large. A total of \$16,267 was distributed through the 2020 Community Grant Program. The following groups and organizations, having made application, received funding from the Community Grant Program in 2020.

*Macklin Museum *Learn to Skate Program *Macklin Skating Club *Macklin Minor Hockey *Macklin Ball Association *Macklin Soccer Association *Macklin Junior Football *Macklin and District Aquatic Centre *Macklin Daycare *Community Hall Winter—Walking Program *Community Adult Drama *St. Joseph's Health Centre *Care-A-Lot Playschool *Macklin Curling Club*

The Recreation Board would like to thank the Saskatchewan Lotteries Community Grant Program for supporting our dedicated volunteers and community groups.
