News from the Fire Hall

Hello Again Everyone:

Graduation weekend is coming up!!! Congratulations to all our Grade 12 Students . Your class has definitely had to face challenges that have added a lot of stress to your last year of high school. I hope you managed to find some time to have some fun along the way!! All your hard work and studying is coming to an end. Good luck to all of you as you start the next exciting chapter of your life!!! I know the next couple of weeks involve a lot of socializing and some nights with not a lot of sleep. Make good choices. Please watch out for each other and always plan a safe ride home.

I hope you all had a good long weekend!! This is the weekend that marks the beginning of the camping season and is a good time start preparing for a safe and happy summer. Remember to check your camper before you head

out on your holidays. Check the tire pressures, and make sure the lug nuts are tight. Walk around the unit and make sure all the lights are working properly. Go for a drive and make sure the brake system on your truck and trailer are both working and set properly. Quick checks like this can prevent a lot of hassle during your holidays.

Saskatchewan Wildfire Management still has this area listed as extremely dry. This has prompted the R.M.s of Eyehill and Senlac to issue full fire bans in their areas. As of this writing the town was going to discuss it at their next meeting and then make their decision. Watch for more information on social media and please be extremely careful until we get some much need rain in our area!! Have a safe grad weekend all!!

Macklin Kinettes Club

Hello to June! At our May meeting (virtually again) we donated some money to the Swimming Pool, Camp Easter Seal, and the Children's Wish Foundation through "The E-Team" (Evan Volk) As restriction start lifting we're very hopeful that the weddings that have us booked to do Bar & Kitchen services will still be a go! And speaking of restrictions, we are keeping our eyes on them as we're hoping to eventually organize a Town Wide Garage Sale & BBQ During the month of June some of our Kinettes will be attending the virtual District Convention (Provincial Convention). June will also bring with it a new "KIN Kid" to our family, and we're patiently awaiting the arrival of Baby Hynes. Congrats to the Graduating Class of 2021 ~ The Kinettes would like to wish you all great success' in life and your future endeavours. Wherever you end up calling home remember to Volunteer and get involved in that Community, you'll never regret giving back!

Synergy supports Macklin Aquatic Centre

The sights and sounds of summer are ready to begin in Macklin with a boost to the local aquatic centre.

Synergy Credit Union is proud to become the new name sponsor of the Synergy Credit Union Aquatic Centre. The credit union has donated \$40,000 to the aquatic centre and will be recognized with the naming rights to the building for the next decade.

The Macklin & District Aquatic Centre Inc. has been operating since July 2011. The facility has become a gathering hub in Macklin, drawing people locally and from other communities to enjoy. It provides an excellent family-oriented form of physical activity.

"Facilities like the aquatic centre improve the quality of life for all the residents in the community and surrounding area," said Synergy Macklin Branch Manager Charlene Walz-Gette. "We're excited for the opportunity to help in continuing to provide such a popular and important venue for the people who live here to socialize and be active."

"We would like to thank Synergy for stepping up and helping us to continue to seamlessly provide programs and recreational activities for residents of all ages," said Alicia Putz, of the Synergy Credit Union Aquatic Centre. "We are excited for the 2021 season and this gives us a great start as we head into the summer."

The funding for the Synergy Credit Union Aquatic Centre is available through the Synergy Shares program, which provides funding for groups who improve the lives of residents in the communities Synergy serves. To learn more about the Synergy Shares program, or to apply for funding, visit Synergy's website at synergycu.ca.

Exciting changes at Gopher Byte Computers!

MAY 2021

In 2006 we started Gopher Byte Computers with a goal of providing Macklin and area residents and businesses with computer sales, service, and office supplies. Over the past 15 years our business has expanded and grown allowing us to create GopherNet High Speed Internet. We have had the privilege of working with the most amazing people on our team over the years, helping build our company into one to be proud of.

We are thrilled to announce that effective May 17, 2021 Gopher Byte Computers will become RAM-Tech & Repair. Mason Moncur and Keifer Cosh will be the new tech support. RAM-Tech & Repair will continue to provide Macklin and area with all the essential tech products that our community has grown to depend on. We will work together to ensure a smooth transition in the coming weeks and months. The phone number will remain (306) 753-2227.

GopherNet High Speed will continue to operate as its own entity. Please contact us at our new number (780) 704-2116.

We are eternally grateful for every customer that has walked through our doors. You have supported us every step of the way. It has been a privilege to serve you.

What's been the biggest challenge for your business over the years?

COVID-19 has definitely been a notable challenge. Trying to keep members, both our customers and employees, safe while at all of our facilities while still striving to maintain the quality of service we aim to provide everyday has definitely been a challenge.

What's the best perk for your business in a small town??

Macklin is a community that takes pride in supporting their local businesses and that is a great thing to be a part of. There is nothing better than a vibrant community that provides not only opportunity but also the local support to go with those opportunities.

Advice to an Entrepreneur looking at starting up a small business :

Our General Manager, Andrew Parrott, offers this piece of advice – "Remember to keep local top of mind. It is so important to stay true to your roots and really use that to drive you to provide exceptional products and/or services to your community."

What advantages does Macklin have over other communities its size for Small business?

As mentioned, Macklin is a vibrant town with a great mix of industry, agriculture, and recreation. That variety offers immense opportunity for anyone looking to start business.

What is your plan for the \$150 Chamber Member rewards you just received?

We will be using this, as well as adding in some extra funds, to run a Summer Member Appreciation Contest. We will have three prize packages to be won, one from each of our Macklin locations. Members will be able to enter the draw each time they visit our Pharmacy, Food Store, or Ag Centre throughout the month of June. For more details on the prize packages members can visit our website, www.deltaco-op.crs
