Brought to you by the Macklin Chamber of Commerce

## U13 Boys are Provincial Champions!

The U13 boys travelled to Regina for the AA tier 5 Provincials championships on July 23-25/21. The boys finished 1<sup>st</sup> in their pools after beating La Ronge 16-3, Regina 12-1 and Saskatoon 20-10. Sunday morning seen the boys in the semi-finals beating Esterhazy 11-5. In finals, the boys played Regina. After a hard fought back and forth game, Macklin came on top with a 12-9 win and were crowned Provincial Champs.

Coaches- Craig Folk, Jason Russell and Curtis Gartner U13 boys- Caden Gartner, Jackson Russell, Kasen Folk, Ethan Veller, Reece Reichert, Kaleb Veller, Cruz Loehndorf, Darian Lowe, Dario Valera, Drayden Armstrong and Emeri Cowie

### Grass Clippings and Compost

It is the responsibility of each property owner to dispose of any grass clippings or compost material. There is an area designated for this at the waste transfer station where compost materials may be emptied from their bags and deposited at no charge.

It is not an acceptable practice to place compost or grass clippings along the back alley or lane adjacent to your property.

## Louise Ewen Peterson - Nurse Practitioner

Louise grew up on farm in the Humbolt, Saskatchewan area and graduated high school in Watson Saskatchewan. After graduation Louise served in the Canadian armed forces in the Artillery division for three years. During Louise's time served she developed a love for the medical field and was accepted into an intensive two year full time fast track Bachelor of Science in Nursing under graduate program at Dalhousie University in Halifax, Nova Scotia. This program was a 24 month straight theory and practicum. Instead of four month semesters with the summers off, each semester was six to eight weeks with a variety of classes and practical work experience, graduating in 2005. Over the past 16 years of nursing, Louise has been a registered nurse in the following fields: Neonatal intensive care, fixed wing emergency flight nursing, public health and occupational health in Fort McMurray. Louise completed her Masters of Nursing with specialty in Primary Care Nurse Practitioner from Athabasca University in Alberta, 2019. Louise has wanted to be a Nurse Practitioner for a long time, with the hopes of improving access in rural areas, minimizing chronic health conditions and assisting people in navigating the health care system.

Louise's three main focuses in medicine are women's health, endocrinology (hormones) and immunology (white blood cells and other parts of the immune system).

Louise has three children 13, 6 and 5 of whom she loves to explore the outdoors with, do science experiments and crafts with. Louise loves outdoor sports; rugby, football, soft ball, skiing, ski-

dooning, adventure races, roller derby, socializing and has recently taken up fishing.

Louise moved from the Turtleford Saskatchewan area where she has family. Louise is accepting patients. People interested in becoming her patient can contact Macklin Medical Clinic at 306-753-2366

# News from the Fire Hall

Hello All

Well this heat wave sure has kept us busy at the hall!!! We have been to multiple grass fires and attended one vehicle rollover. Fire Bans are still in place for the park, the town and the R.M.s of Eye Hill, Hearts Hill and Senlac.

This ban means NO BURNING...period. Fireworks are also not permitted under these bans. Propane fire tables, and barbeques are still allowed. If you are using one of these please use common sense. Watch the wind conditions and have a shovel, rake, pail of water or garden hose nearby. NEVER leave open flames unattended. The Fire Board and Fire Department held our annual summer barbeque at the end of June. A good time was had by all. Thank you to the Fire Board for their continued support and dedication to our Department. Justin Bast took this event as an opportunity so present some service medals. Logan Sieben, Lance Legge and Cody Heffner all received their 5 year pins. Cole Bast got his 10 year pin. Justin and Peter Sieben each got 25 year pins and Gary Walz now has a 30 year Pin. That is a total of 105 years of dedicated service from these fine gentlemen!!!! Thank you guys. You are all a tremendous asset to our Department. Your time and dedication is greatly appreciated!!!! Elliot Cline has announced that his young family will be leaving Macklin in fall and we took this night as chance to present him with a plaque for he service these past years. His experience at his job was a great asset for our department.

He will be missed for sure.

That being said we are still looking for some more members. Male or female please feel free to see what we are about. If you

have ever thought of joining our department please feel free to contact myself, Justin Bast or any other members. Who knows maybe you could be getting a service pin like the fine members mentioned above. It is a great and rewarding way to give back to our community and district!!

That's all from the Hall.

Please be safe out there and have a great summer!!!!

## Water Restrictions Lifted

Water Restrictions ban has now been lifted for both residential and commercial users, although keylock water usage remains suspended. Please continue to be conscientious of daily water use as the Town continues regenerating the water supply.

# TIPS Outdoor water conservation

Being Water Wise is easy. Here's how to water efficiently:

### Smart watering tips

**Single soak** A thorough watering once per week is the best way to maintain a healthy lawn. Rain is often enough!

**Less is more** Over watering your lawn or garden is harmful, not helpful! Excess moisture and rot grass roots and creates the perfect environment for disease.

**Rise and shine** Watering early in the morning is best for your grass and gardens. Midday wind and hot sun will evaporate the water meant for your plants.

**How much is too much?** Try leaving a small container (like a tuna can) on your lawn! When the container is full, your lawn has enough water for the week. Only one inch per week encourages deep, healthy roots.

**Don't be down if it's brown.** Brown grass isn't dead, only dormant. It's ok to let your lawn go dormant. Grass can live four to six weeks without water. It will bounce back!

### Know before you mow

**Grow it** Deep roots mean healthy turf, so allow your lawn to grow at least 11 cm (4.5 inches) before mowing it.

**Trim it** Don't cut your lawn by more than 1/3 of its blade length.

**Leaf it** Leave grass clippings or leaves on your lawn as cost effective fertilizer. The nutrients are good for both lawns and gardens!

### Choose a Water Wise Garden

**Plan ahead** Choose plants that don't need much water and are suited to our local climate.

**Cover up** A layer of organic mulch helps keep moisture in the soil and provides nutrients too.

**Rain is free** Use rain barrels to harvest rainwater that's perfect for gardens and grass.

### Tips for irrigation systems

- 💧 Use a timer to not water too long, and only within by-law hours.
- 💧 Check regularly for leaks.
- 💧 Make sure water isn't being wasted on sidewalks or other hard surfaces.
- 💧 Consider an efficient drip irrigation system that delivers water to the roots.
- 💧 Manual irrigation is more efficient and less expensive than an automatic system.

## TOWN OF MACKLIN ARENA MANAGER REQUIRED

Written applications are invited from persons interested in providing contract services for the operation and maintenance of the Macklin Arena.

A detailed job description may be obtained at the Town Office or by telephone at (306) 753-2256.

The successful applicant is expected to commence duties as specified in the proposed contract.

Such applications will be received at the Town Office by no later than 5:00 pm Friday, August 23, 2021.

The Town of Macklin reserves the right to reject any or all applications.

## CWL 2021 Milestones

St. Mary's Catholic Women's League in Macklin was very pleased to award a number of our members for milestone anniversaries of their membership. Each member who is celebrating a milestone anniversary was presented with a certificate and a rose bowl during the month of June. All presentations were made at the members' homes.

Those celebrating 50 years of service were Angeline Fischer, Margaret Fleck and Lydia Wandler. Celebrating 60 years were Naden Hewko and Lorraine Sieben.

For the first time in St. Mary's Council history, a 70 year anniversary was celebrated. We were so pleased to celebrate the amazing 70 years of service of Ida Stang! Thank you to all of these ladies for their dedication 'To God and Country'.

For the 2021 year, the Chamber is doing an internal "Rewards Program" with our memberships. One of the perks of winning will be to have your business showcased in the next month's Hometown Connection, as well as being given \$150 from the Chamber to do something with; Random act of kindness, Business raffles or promotions, buy your staff a meal, etc.

### Agro-Greens Natural Products Ltd.

Year it was established: 2015

# of Employees: 57 (and growing)

What's been the biggest challenge for your business over the years?

Operating, especially starting up, under such stringent government regulations. It has been extremely difficult to start up at the speed of the federal government.

What's the best perk for your business in a small town??

Macklin has been an incredibly accepting community with a very business friendly environment. From other businesses and trades being wonderful to work with, to the local council and communities excitement and support.

Advice to an Entrepreneur looking at starting up a small business

My advice would be to absolutely consider Macklin, starting up in a business friendly community makes all the difference. In addition, Macklin is an actively growing community. With such a diversified economic base (oilfield, agriculture, and now cannabis) Macklin is the land of opportunity.

What advantages does Macklin have over other communities its size for Small business?

Macklin's advantages are several, first the business minded community and leadership. Any serious business plan will be taken seriously, and the council in Macklin has time and time again worked with local businesses to encourage success. The local council can make life easy or difficult, for any start up, and Macklin's community leadership stands above.

Next, and probably Macklin's biggest benefit today, is the diversified economic base. From agriculture to oilfield, and now cannabis cultivation and manufacturing, Macklin is ripe for investment because it is now as small as it will ever be. People from all across the country have been moving to Macklin because of the opportunities we have here, and these opportunities will continue to attract people for many years to come. Calling entrepreneurs, come one come all to Macklin, the land of opportunity.

Third would be the community itself. I personally moved my family here four years ago and we have been welcomed more warmly than we could have hoped for. The friendly neighborhood atmosphere helped my wife and kids feel right at home, we wish we had moved here years earlier.

There are many more benefits I could go into, but as an entrepreneur those are the 3 things I need check marked (how is the business environment, how is the economic base and opportunity, how will my family transition).

What is your plan for the \$150 Chamber Member rewards you just received?

We would like to donate this to the Kinette club so it can benefit the community.

#### CHAMBER OF COMMERCE GROUP INSURANCE PLAN

- Are you self-employed?
- Are you a farmer?
- Are you a home based business?
- Interested or have questions?
- Please contact Lori Cosh at 306-753-9230 or [lori.ronamac@sasktel.net](mailto:lori.ronamac@sasktel.net)

### U14 Girls bring home Provincial Silver

The Macklin U14 Lakers Girls Softball team travelled to Saskatoon over the July 23rd, 24th & 25th weekend to compete in the provincial open softball tournament. The girls opened the tournament on Friday afternoon with a convincing 12-3 victory over Prince Albert Aces, the game only lasted 5 inning due to the score differential (Mercy Rule). The second game was very similar versus the Twin City Angels (Warman & Martensville) with another mercy rule in effect after the Lakers were up 11-0 after 3 1/2 innings. Saturday's draw only saw the girls play one game in the afternoon versus the Rosetown Angels, with the winner finishing 1st in their division. The girls played a great game all around and ended the round robin with a perfect record with a 7-2 victory.

Sunday morning was the semi final versus a great Parkland Predators team (Spiritwood/Shell Lake). After a very close battle the girls pulled off a 5-4 victory to advance to the gold medal finals versus the Rosetown Angels. It was a hard fought battle and unfortunately the girls were just a little off and they lost, but not after a late rally that came up short by the score of 8-6.

The girls can hold their heads high after collecting the silver medals and an almost undefeated weekend!!

### U18 Boys Provincial Ball

On the weekend of July 23 – 25 the Macklin Lakers 18U (midget) baseball team competed in a four team provincial championship tournament in Kindersley.

Macklin's first game was Friday night and ended with a loss to the host team Kindersley Royals.

Saturday morning the Lakers played the Saskatoon Braves in a "must win" in order to have a chance to play on Sunday. The Lakers squeezed by with a 6-5 win and a game ending double play that brought the fans to their feet.

Saturday evening the Lakers lost a heart breaker to the Dinsmore Dynamos with a final score of 11-9.

That loss took Macklin out of the tournament and the chance to play on Sunday was over.

It was a great short season and the players, coaches and fans were excited to once again be able to play baseball.

**Players:** Braden Fischer, Carter Fleck, Kyle Hohmann, Zak Dean, Leighton Partington, Riley Kohlman, Logan Friedrich, Jarret Fleck, Kaden Veller, Jackson Scherger, Brant Ollenberger, Sawyer Knox, Lucas Scheck, Jesse Gartner & Graiden Baumann. **Coaches:** Wade Dean, Colin Fleck & Ethan Scheck

### U11 places 4th in Provincial Ball

On July.23-25<sup>th</sup> the U11 boys travelled across the province to play in Saltcoats in the Tier 6 provincial championship. The boys started the weekend off great with a 5-1 win over Muenster on Friday. They played two games Saturday winning their first 15-14 over Meadow Lake and losing the second 16-2 to Gravelbourg. We placed 4<sup>th</sup> out of 10 teams and advanced to the semi-finals Sunday morning where we met up with Gravelbourg once again. The boys regrouped after the first loss to them and ended up coming up short in the second with a nail biting game 4-2. Gravelbourg went on to win the final. This group of 3 different ages had all rookies, none of them having ever played provincial play and you would never know it. They played like well experience players and did amazing. Great job boys!!!

Back row left to right. Assistant coach Joey Degenstien, Head coach Justin Reschny, Assistant coach Wade Stang. Middle row- Bently Heffner, Landon Reschny, Kort Partington, Walker Dewald, Cooper Degenstien, Nate Stang. Bottom row- Daxon Kohlman, Liam Gette, Quinn Partington, Kanen Reschny.
