CHRISTMAS IN OUR TOWN 2021

Friday, December 3rd was the Chamber's Annual "Christmas in Our Town" Event. We started planning the event in September and at that time Covid restrictions were still tight, so we decided at that time to plan another "Covid friendly" event. (meaning no Pictures with Santa, No wagon rides, etc)

We were able to organize a Mall in the Hall Christmas tradeshow that ran all day with over 40 vendors selling everything imaginable.

The annual Chamber Cup street hockey tournament was held on main street this year with children of all ages partaking. The Sr. winners were: Cayden Schneider, Brody Legge, Darian Lowe, and Drayden Armstrong. The Jr. winners were: Dom Krusheinski, Kolby Lowe, Zander Heffner, Nate Neufeld.

There were three winners of the Christmas in our Town draws: \$250 went to Elsie Gartner, \$500 went to Neil Bolton, \$1,000 went to Amanda Stevens. Congratulations! The Chamber also created a Christmas Chamber Bucks Word Scramble with 3 prizes of \$50 each going to Herb Heffner, Bill Ayrey, and Nikita Sieben.

The parade of lights followed at 7:30pm, with some great volunteer elves that were Santa helpers in handing out the candy bags that were full of goodies. Whether you were on a float or in your driveway watching, it was a magical event. The Christmas spirit was overflowing!

The final event of the night was the fireworks display that was up on the school grounds. This event could have never happened without the help of our local Volunteer Fire Department who set up all the fireworks and lit them all off for our enjoyment. I would also like to thank Macklin School for allowing us to use the facility and to Eldon Germann for playing the music to a company the fantastic light display!! It truly was outstanding for our little community. We apologize if we forgot to thank anyone, this was a Town effort and we can only hope everyone enjoyed themselves.

WHAT SHOULD I DO WITH THE SNOW FROM MY DRIVEWAY?

It is the policy of the Town of Macklin to clear snow from all streets as soon as possible after a large snowfall with the equipment available. When clearing the snow from your sidewalks or driveway, please make every effort possible to deposit this snow onto your own property. By blowing, shoveling or moving the snow from your driveway or sidewalk onto the street, you are compounding what already is a daunting task. We understand that there are certain circumstances where this is not possible and in these extreme cases the street is the only option. Your assistance when removing your snow will allow the Town maintenance staff to quickly and efficiently clean snow from our streets.

Please make sure you are visible and give plenty of distance to Town snow removal equipment when clearing streets.

Question for the Community"

The Macklin Chamber was approached by the Chronicle newspaper which is a weekly newspaper based out of Kindersley and cover the areas of Doddsland, Plenty, Kerrobert, Luseland Coleville, and Denzil. They would like to add Macklin to their coverage but don't want to step on the toes of the Chamber & the Hometown Connection.

The newspaper is free and would come to your mailbox (it would not go to the mailboxes that do NOT accept flyers). It would be up to everyone to submit their own news items as they don't have a reporter.

The Chamber started the Hometown Connection as a service to the community to fill the void left by the departure of the Macklin Mirror. It's goal is to be a non-profit publication and run as close to a break even as possible.

We see pros and cons to eliminating the Hometown Connection and having the Chronicle take over. It would be great to have a weekly newspaper again, and would be interesting to see what our surrounding communities are doing. It would be more costly to advertise, but that being said it would also have more visibility than the area that we currently cover.

We would like feedback from the Community on this and your thoughts.

Please feel free to email president@macklinchamber.com or message us on our facebook page, or give me a call/text @ 306-753-9230

Thank you

Littering/Illegal Dumping

Illegal dumping involves the unauthorized disposal of waste on Public or Private property. Not only is illegal dumping harmful to the environment, it is also unsightly.

The Environmental Management and Protection Act, 2010 prohibits littering. In section 50(1) it states *No person shall discard, or abandon or cause to be discarded or abandoned or allow to be discarded or abandoned, any waste:*

(a) on any land that is owned by another person or the Crown.

The fines laid out for Illegal Dumping can be found in *The Summary Offences Procedure Regulations, 1991*, and are as follows:

If found to *be guilty of discarding or abandoning or causing to be discarded or abandoned or allowing to be discarded or abandoned any waste in an improper manner* the fine for an individual is \$500.00.

If found *guilty of discarding or abandoning or causing to be discarded or abandoned or allowing to be discarded or abandoned any waste on land owned by another person of the Crown*, the fine for the individual is \$500.00.

Any person convicted will also be subject to a Victim Surcharge, which can be found in *The Victims of Crime Regulations, 1997*, which states that an additional \$80.00 charge is applied to the \$500.00 fine.

How can you help us..... Illegal dumping can be reported by calling the R.M. of Eye Hill, No. 382 Office at 306-753-2075. If you witness any illegal dumping we ask that you try to obtain any valuable information including; photo/video information, the license plate number and vehicle description, a description of the individuals involved, the items illegally dumped as well as the time, date and location of the incident.

Illegal dumping is both a public and environmental health risk and we urge you to dispose of your waste responsibly.

Heritage Park Receives a Facelift

The Town of Macklin was fortunate to receive a grant from the New Horizons For Seniors Program to assist in upgrading certain aspects of Heritage Park. Under the terms of the grant improvements to the informational signage, walking trails, benches, waste containers and lights were all updated. Further power has been installed into the Heritage Park Gazebo allowing for music, concerts, or events to be held in the park.

Support for this upgrade was also provided by McAsphalt and the Town of Macklin. McAsphalt provided the asphalt emulsion oil free to refurbish and seal the Heritage Park walking paths. Shown in the picture are town maintenance employees providing the manpower necessary to apply the asphalt sealant. Special thanks to McAsphalt Plant Manager Ernie Friesen for the assistance in obtaining the emulsion sealant and the expert product knowledge.

NEWS FROM THE FIRE HALL

Hey All!! Happy New Year to you!! I hope you had a happy and safe Christmas season and got to spend lots of time with friends and family!

As of this writing the forecast was for very cold to start the month. The cold months always give the furnace a work out. Remember to get your furnace serviced regularly and change the filter as well. A furnace that isn't working properly can cause deadly odorless gas to enter your home. Make sure you have a functioning Carbon monoxide alarm installed in your house. This is your best protection and gives you an early warning for what could be a very dangerous situation. Test yours and check for an expiration date on it. If your carbon monoxide detector alarms, get everyone out of the house and open some windows for ventilation. Call your gas company and they can test your air quality and advise you as to what to do. You can also call 911 as well.

Remember to check your chimney as well and make sure it is not freezing up. Some of the houses with high efficiency furnaces have the chimney coming out at floor level and the can drift over with now. Keep an eye out for this as well. 2021 was an average year for call outs for our department. We responded to 24 calls. About 40% were car accidents, 50% were field or structure fires and 10% were other calls.

Our membership has stayed fairly steady at 19 members. We sure could use a couple more volunteers. As always feel free to contact Justin, myself or any member of our department if you have any questions or have ever considered joining our department.

We have four members currently taking the NFPA 1001 professional firefighter course. I would like to thank Andre Benwell, James Stang, Logan Sieben, and Neyl Manlapig for their time and dedication to stepping up and giving up a lot of Wednesday nights as they work towards the end of this course. Thank you men!! Justin has now been the chief for a year already and he is doing a great job!!! He spends lots of time at the hall working to improve our department. Thank you Justin for your time and dedication to our department.

We do have Covid 19 rapid test kits at the hall now. If you need some for you or your family watch our Facebook page for times when we are there handing them out or just contact any member of the department and we can get them for you!!

That's All from the hall be safe and kind to each other in these crazy times

Stay warm!!!!

Macklin School Happenings

Macklin School's elementary students were very excited to shop at the annual Christmas Store! Each student was asked to donate 5 new or gently used items from home, which were organized in the library by volunteers to create the "Christmas Store"! All items were then priced at \$1, making shopping very affordable! This provided an opportunity for our young students to shop independently and to raise money for two great causes. This year's store raised \$875, which will be shared equally between Telemiracle and West Central Crisis Centre.

Many thanks to all the parent and staff volunteers who helped make this store possible and to the students, whose enthusiasm was truly magical!

Merry Christmas and Happy New Year from Macklin School!

Macklin Lakeview Cemetery Project

The Macklin Lakeview Cemetery Committee has been working towards aesthetically improving the entrance into the cemetery. The project that has been initiated will include the relocation and upgrade of the historic entrance gates to the cemetery. The restoration of the memorial gates and installation of new wrought iron fencing, featuring stone pillars, is our project goal for next year.

The entrance will be relocated to the east boundary opening and will include modern stone pillars to support the restored historic arched iron gates. Every attempt possible will be undertaken to try and relocate the existing stone pillars to a suitable location within the cemetery.

To date donation funds have allowed us to purchase the wrought iron fencing, relocate trees and complete the required survey and elevation drafting. As funds will allow the project will now move towards completion of the stone pillars and wrought iron fencing along the complete east boundary of the cemetery property.

At this moment we are canvassing for donations towards the project and look forward to seeing this worthwhile project completed. The Lakeview Cemetery is a community space that demonstrates our commitment to respectfully commemorate those that have been laid to rest.

The committee has decided to use the individual stone pillars as dedicated commemorative spaces. A donation of \$3,000 will provide individual sponsorship of one ornate stone pillar. A commemorative plaque will be inlaid within the stone pillar to forever recognize your contribution to the project.

Tax deductible receipts will be issued for all donations. For further information on the stone pillar dedications or other donation opportunities, please contact the Town of Macklin at 306-753-2256 or town.macklin@sasktel.net Donations can be made payable to:
