Macklin Wildlife Awards Banquet

Macklin Wildlife Federation held another successful Awards banquet on January 8th. The annual sold-out event is one of the clubs' biggest fundraisers, with proceeds going back into various projects and programs around the community. The Club went above and beyond with the delicious food options that were prepared, guests could be found trying various cuts of Moose, Elk, Deer, Wild Boar, Rabbit, Fowl, and Fish. After everyone had enjoyed supper, the Club started to announce and award the winners in all Big Game and Fish categories. Once again, all attendees were able to take in the stage display of most of the Big Game animals harvested from our area this last year, as well as a lineup of live auctions, raffle draws, and silent auction items abroad. The event continues to bring out people from all over our area to take part in all the night has to offer. The Macklin Wildlife Federation would like to take this opportunity to thank each and every one of their sponsors, volunteers, and attendees, without your support events like this are not made possible.

Congratulations to this year's winners:

WHAT SHOULD I DO WITH THE SNOW FROM MY DRIVEWAY?

It is the policy of the Town of Macklin to clear snow from all streets as soon as possible after a large snowfall with the equipment available. **When clearing the snow from your sidewalks or driveway, please make every effort possible to deposit this snow onto your own property.** By blowing, shoveling or moving the snow from your driveway or sidewalk onto the street, you are compounding what already is a daunting task. We understand that there are certain circumstances where this is not possible and in these extreme cases the street is the only option. Your assistance when removing your snow will allow the Town maintenance staff to quickly and efficiently clean snow from our streets.

Please make sure you are visible and give plenty of distance to Town snow removal equipment when clearing streets.

Snowmobile Bylaw

The use of snowmobiles and all terrain vehicles are covered under legislation passed by the Province of Saskatchewan and violations of this act are enforced by the local RCMP. Persons owning and operating any snowmobile or ATV should know what is permitted under this piece of legislation. Please contact any member of the RCMP by calling 753-2171 to discuss your rights as a property owner or ATV owner.

Complaints under the All Terrain Vehicles Act should be directed to the RCMP. As responsible vehicle owners please respect the rights of private property owners and members of this community. Violations may be issued for excessive noise, intrusion onto private property of any other violation covered under the above mentioned legislation.

Town Bylaw 01/10 allows snowmobiles and ATV's to operate in Town limits Only for the purpose of exiting or entering the community. When entering or exiting the most direct route should be followed.

NEWS FROM THE FIRE HALL

Well now hasn't the weather lately been a special kind of special? The last three weeks Mother Nature and Old Man Winter have certainly covered all the bases of a crazy Canadian winter. Everything from extreme cold to snow storms to above freezing temps and rain. Sometimes in less than 36 hours. Of course this creates very challenging winter driving conditions. Some of the icy roads we have seen in the last 2 weeks are the worst and most dangerous I have ever seen. When conditions are this bad we ask that you please consider how important your travel plans are. We were called out last week at 10:12 PM. It was dark and visibility was near zero because of the heavy blowing snow. Just leaving the hall is a risk for our crew. We had to drive very slowly and were basically right at the scene of the accident before we could see it. Now we are stopped on an icy dark highway trying to help people and we are constantly listening and watching for signs of approaching vehicles. We actually park our trucks at an angle on both sides of the incident so that if someone comes in too fast the trucks will protect us where we were working. If you are driving and you think you see flashing blue or red lights slow down immediately because those lights might not be moving. We will also use red road flares and pink Accident ahead signs if we have time. Always remember there are emergency workers and people in need of help on these scenes. PLEASE turn on your hazard lights and use patience and common sense if you are on the highway. We will get you on your way as soon as it is safe to do so. Let's get EVERYONE home safely!!!

Macklin & District Fire Rescue has also started to raise money so we can purchase a new set of rescue tools. (Commonly known as the Jaws Of Life) Our current set is 20 years old and in need of some upgrades to keep it certified. Like all things, huge improvements have been made in rescue tools in the last 20 years. The new ones are stronger, lighter, quicker and more user friendly! New vehicles too are also using higher strength steel and require this new tools for use to gain access in the event of an acci-

dent. Of course the tools are also very expensive. We have already received very generous donations from local businesses, oil companies and the Kin Club in town. Recent donations from Rona Macklin, Synergy Credit Union, Alliance Pipelines, Strathcona Resources and Steelview (See attached picture) have got us off to a very good start but we have a long way to go!! If you or a business you are involved with would like to help us get these new tools or you have any questions about what we are trying to accomplish, please feel free to contact Chief Justin Bast, myself or anyone on our department.

Rod Soderlund has just informed us he will be stepping down after 27 years of dedicated service. His new job has him working out of town and he feels like he is not able to make it to enough meetings and calls. Rod had a great ability to think outside the box on rescue scenes. At one car accident we attended, the person could not speak English so Rod downloaded a translation app on his phone and we were then able to communicate with the person. He will be missed!! Good luck in you new career Rod and thank you for your time and dedication to our department!!!

This once again leaves us down another member. If you have ever thought of joining our department please feel free to talk to anyone of us. We will gladly answer all your questions and show you around the hall if you would like to see what we have and what we do.

Remember "What if volunteer fire fighters didn't volunteer!!" It can be a very challenging and rewarding way to give back to your community and district!! Be Safe and be kind to each other.

MACKLIN KINETTE CLUB

We had our 1st meeting of 2022 and it was a bit of a longer once since our December meeting was actually a visitation to the Unity KIN club, so we kind of had 2 meetings of catch up to do. We donated \$300 to the Macklin Lake Cross Country Ski club. We're quite excited about this group bringing something unique to town and we wanted to show them our support.

Our schedule is getting quite full with Weddings in 2022 which is great because we have a larger club and it will keep us busy. The Macklin Kinette Club has quite a bit of experience working events (Bars & kitchen), and it's also a great way to get our faces out into the community and have a lot of fun with our fellow KIN while doing it. So if you're looking, or know someone who is looking for wedding or event help, please check us out!

We are down to a handful of draws left on our Chase the Ace Raffle ~ The jackpot HAS to go by Wed March 2nd. And we also are doing a "Booze or Bucks" raffle, winner to be named in next months write-up.

Regardless of your age, or gender, if you are new to town, or finding that you want to get out into the Community more, we welcome you to check us out (attend a meeting or help us with a function.) We have a great and diverse group who has a lot of fun!

THANK YOU!

Each year Saskatchewan Lotteries, through the Community Grant Program, assist thousands of volunteer organizations in communities that offer sport, culture and recreation opportunities for Saskatchewan residents.

The Macklin and District Recreation Board is the distributing agency for our community; this board is comprised of individuals representing the Town of Macklin, The Rural Municipality of Eye Hill and the community at large. A total of \$16,267 was distributed through the 2021 Community Grant Program. The following groups and organizations, having made application, received funding from the Community Grant Program in 2021.

Macklin Lakeview Cemetery Project

The Macklin Lakeview Cemetery Committee has been working towards aesthetically improving the entrance into the cemetery. The project that has been initiated will include the relocation and upgrade of the historic entrance gates to the cemetery. The restoration of the memorial gates and installation of new wrought iron fencing, featuring stone pillars, is our project goal for next year.

The entrance will be relocated to the east boundary opening and will include modern stone pillars to support the restored historic arched iron gates. Every attempt possible will be undertaken to try and relocate the existing stone pillars to a suitable location within the cemetery.

To date donation funds have allowed us to purchase the wrought iron fencing, relocate trees and complete the required survey and elevation drafting. As funds will allow the project will now move towards completion of the stone pillars and wrought iron fencing along the complete east boundary of the cemetery property.

At this moment we are canvassing for donations towards the project and look forward to seeing this worthwhile project completed. The Lakeview Cemetery is a community space that demonstrates our commitment to respectfully commemorate those that have been laid to rest.

The committee has decided to use the individual stone pillars as dedicated commemorative spaces. A donation of \$3,000 will provide individual sponsorship of one ornate stone pillar. A commemorative plaque will be inlaid within the stone pillar to forever recognize your contribution to the project.

Tax deductible receipts will be issued for all donations. For further information on the stone pillar dedications or other donation opportunities, please contact the Town of Macklin at 306-753-2256 or town.macklin@sasktel.net Donations can be made payable to:
