## U15 Provincial Campions

The Macklin U15 Mohawks are the Hockey Sask D Provincial Champions. This team was one win away from becoming Northern Champs in 2020 when Covid shut them down so this victory has been a long time coming. In round one the U15 team faced Aberdeen. Scores for the Mohawks were 10-1 and 9-3. The next round saw them face Naicam with scores for the Mohawks of 18-2 and 11-2. In the Northern final the Mohawks faced Lashburn winning 9-1 and 8-2. This put the Mohawks into the provincial final against La Fleche. The Mohawks were victorious in game one at home with a score of 8-4. Travelling to La Fleche on March 27<sup>th</sup> the Mohawks clinched the title shutting out the hometown team with a score of 4-0.

### WEST CENTRAL CRISIS & FAMILY SUPPORT CENTRE INC.

#116—1ST AVENUE WEST  
BOX 2235—KINDERSLEY, SK S0L 1S0

West Central Crisis and Family Support Centre is a non-profit organization that covers a large geographical area of Saskatchewan. The community of Macklin is part of our service area. We are happy to let you know that office space has been donated by the Town of Macklin allowing us to be in person in your community 1-2 days a month. Please call and book a time!

West Central Crisis Centre offers a wide range of services which include but not limited to individual counseling, couples counseling, crisis counseling, mobile crisis response, addictions and mental health supports, matrix program and various community supports. We have recently began a pilot project called FIRST. This program looks at a wide variety of individual, family and community issues. Sometimes, people or families are struggling with finances, addictions, mental health or personal issues that a community or individual has some suspicion of but not complete proof. This program is allowing for calls of concern to come to our office and we can approach the family or individual and assess or offer assistance. Our goal with this program is to get supports in place for people before circumstances get more intense requiring RCMP and emergency response. We look forward to getting into your community and being able provide service.

Our office number is 306-463-6655.

## Macklin Skating Club's Annual Ice Carnival—WE CAN BE HEROES

On Friday March 11, the Macklin Skating Club hosted its annual skating carnival. This event showcases everything the skaters have learned this season. This year's theme was 'We Can Be Heroes', which seemed suiting as over the past two years there have been so many day to day heroes. The skaters and their coaches prepared 15 different performances to entertain their audience. The skaters all did an amazing job. After 2021's virtual carnival it was nice to have fans back in the stands cheering them on!

The Macklin skating Club would like to thank the parents of the skaters for the many hours volunteered to prepare for the carnival and throughout the season. Also a huge thank you to the professional coaches; Vicki Holsworth and Megan Klotz for sharing your talents and creativity with the skaters this year. Hope to see you in the fall back on the ICE!

### Cemetery Regulations

We wish to express our sincerest thanks to families and friends who continue to generously donate to the Lakeview Cemetery. Commemorative Donations can be made at any time and will be put towards the continual beautification of the cemetery. Ongoing perpetual care donations are also accepted at anytime to help with the general upkeep of the plots where our loved one's rest.

In 2019 the Lakeview Cemetery Committee officially adopted a set of regulations regarding the control and operation of the cemetery. This Cemetery Bylaw sets out the general operating guidelines for the cemetery. The following guidelines apply in respect to flowers and other items placed on a grave site:

- No cement slabs, grave covering, trees, or flower beds are permitted.
- All flowers must be placed into a vase or holder that is affixed to the monument.
- Placement of decorative items like solar lights and steppingstones must be placed to not interfere with grass cutting and maintenance.
- No unauthorized monument, bench or obstruction is permitted.
- Existing benches or obstruction shall be removed at the discretion of the Committee.

The Cemetery Committee has the authority to remove all floral designs, solar lights and other items that are located beyond the base of monuments. Maintenance staff provide a spring cleanup of all broken and discarded items, and we ask families to assist by helping us monitor the placement of these objects.

### Contract Landscape Maintenance

The Lakeview Cemetery Operations Committee requires contract landscape maintenance within Lakeview Cemetery between the months of April 2022 and October 2022.

This service contract will be for a one-year period and will include specific maintenance tasks including the supply of required tools and machinery.

Applicants are invited to submit a detailed proposal for the provision of services. Proposals will be accepted until **April 15, 2022.**

### Chamber donates for new 'Jaws of Life'

The Chamber represents a wide variety of business, sole proprietors, and farm business' and as an organization we don't typically donate to sports groups or other organizations because our membership as a whole has already been approached.

During our March meeting one of the items on the agenda was a letter from the Macklin & District Fire Department looking for funds for their new Jaws of Life equipment. We had great discussion around the table about this project and how this state of the art equipment will benefit members of our community and beyond. A comment that stood out was "Look at how bad the roads have been this winter and how many bad storms we keep getting, if that's me inside a wrecked vehicle I want them to get me out as quickly as they can". It was voted on and passed that a \$5,000 donation from the Chamber of Commerce be given to this worthwhile project.

Ironically as the meeting was happening, and this specific item being discussed, our local firefighters were on their way to an accident south of Macklin and were using the current Jaws of Life equipment that will soon be replaced. We're very fortunate to have such a strong group of Volunteer Firefighters who drop everything when they get their calls to help those in a time of need.

Deputy Fire Chief Greg Bast accepts donation from Chamber President Lori Cosh.

### Thank You

We would like to give our heartfelt thanks for all the prayers and for those who gave so generously of their time, the gifts of food and for all your kindness and sympathy through this difficult time in the passing of Aileen Friedrich. We also want to thank Dr. Erasmus and the staff at St.

Joseph's Health

Centre for the care and compassion Mom received.

Thank you to Father Binu, CWL, choir and all who helped out at the funeral. Thank you to

Jeremy and staff at Gregory's Funeral Home, we will be forever grateful for your care and kindness.

# Do you wanna go faster?

Access**HyperSpeed 450**  
NOW AVAILABLE IN **MACKLIN**

Super-fast, reliable internet is blazing its way to over 70 new communities!

[myaccess.ca/faster](http://myaccess.ca/faster)  
**1-866-363-2225**

Access Communications Co-operative is bringing internet download speeds as fast as 450 Mbps, a nearly fifty-fold improvement, to Shaunavon and Macklin. The projects are funded in part by the Government of Canada's Universal Broadband Fund. "To the communities of Shaunavon and Macklin, we say 'we've heard you,'" said Jim Deane, CEO of Access Communications. "The need for reliable highspeed connectivity has never been greater, and these network upgrades help bridge the rural-urban digital divide. This is a leap in technology, and proven one, having been deployed elsewhere in the province." The new AccessHyperSpeed services launched in Shaunavon on February 17, with Macklin to follow on March 15. The projects are funded through Innovation, Science, and Economic Development Canada's Universal Broadband Fund (UBF). The estimated cost for both communities is over \$730,000, with UBF funding covering \$528,909. To learn more about UBF, visit [www.ic.gc.ca](http://www.ic.gc.ca). "The Town of Macklin is excited to see Access Communications expand the availability of high-speed internet within our community," said Mayor Stephen Lowe, Town of Macklin. "We live and work in a fast-changing technological society. Access to reliable internet services is a requirement for our families and businesses. For rural communities, the internet is an equalizing factor towards attracting and retaining businesses and the families that support them. Access delivers 300 Mbps download speeds to over 100 communities, exceeding the federal government's recommended minimum of 50 Mbps download speeds. In December, Access launched its HyperSpeed 1 Gig service in the Battlefords, with more communities scheduled over the next few months. To learn about AccessInternet services, visit [myaccess.ca](http://myaccess.ca).

## TELEMIRACLE 46

Hello everyone and Happy Easter!

Telemiracle 46 was Saskatchewan's most successful Telemiracle in history raising more than 8 million dollars (\$8,002,772 to be exact). Our Kinette club was proud to bring a cheque for \$9008; with special thanks going to the Villa Marie (\$1455) and the school (\$2002) for doing fundraising on their own and contributing to our grand total – you rock! Seven of our own Kinette members were in Regina for the event answering phones. Getting to be on stage for the finale of chaos and confetti, when the highest total is raised in Telemiracle history, is something that we won't be forgetting anytime soon! Although you will see us out in the community plenty this summer working weddings and events, we wanted you to keep the following date in mind: **Annual Town Wide Garage Sale: May 28<sup>th</sup>, 2022** (More details to follow), a good excuse to do some spring cleaning.

### Macklin Sabres Senior Girls Basketball

On Saturday, March 19, the Macklin Sabres Senior Girls' Basketball team completed a highly successful season at regionals in Moose Jaw. During the year, the girls won two tournaments and advanced through conferences to regionals. On Friday, at regionals, the girls faced Davidson. The game was very even except for the third quarter where the Sabres were outscored by 13. The girls ended up losing 57 – 45. On Saturday, in the consolation game, the team took a 38 -10 lead into the half and went on to win 66 – 53. This was the most successful season in many years for the girls, and it gives the team a strong basis to build on.

## Macklin Curling Club

Mixed league curling started off in January with 7 teams playing every Wednesday. League playoffs closed out the season:

League A side champs:

Ted Tryhuba, Brent Copland, Tyler Tryhuba, Brent Scherger.

League B side champs:

Cathy Steinhubel, Suzette Hillis, Gary Stang, Bill Hillis

On March 4 & 5th the Ladies held there annual Bonspiel which had 6 teams. There were several raffle prizes , karaoke and a tremendous supper served to accompany the two days of curling. A side champs: Shelby Rowein, Suzette Hillis, Mackenzie Steinhubel, Cathy Steinhubel

## Elementary Curling

Students in grades 4,5 and 6 were invited to the curling rink for 5 lessons on the basics of the game. Everyone enjoyed learning the new game and were thrilled to play a 2-end game on the last day.

The grade 5 and 6s attended a tournament in Unity on Wed., March 23<sup>rd</sup> to complete their season. I hope to see everyone back at the rink next year!

## Macklin U9 Hockey

Both U9 teams had a great year finishing #3 and #4 in their division on Hi-way 14 league and both qualified for the 'B' play off tournament. The Playoff Tournament was held March 11 & 12 in Kindersley. Each team played 2 games within their pool, beating Rosetown, Eston, Kindersley and Unity leading to a Macklin Blue vs. Macklin White final. The Final game was played Sunday afternoon. It was a hard-fought battle and after 3 periods of play the teams

were tied 6-6. This led to sudden death overtime with Macklin White scoring roughly 8 minutes into OT to win the game.

## Macklin Mohawks U13 Win League Final

On Tuesday March 29th the Macklin U13 Mohawks took home their second Championship of the week when they won the Hi-Way 14 Hockey League. They were up against Biggar/Wilkie for the finals and defeated them 13-3 in Game 1 in Biggar on Sunday March 20, then outshot them 64-10 to win Game 2 with a score of 14-3. The team has had a tremendous year, going undefeated throughout all exhibition, tournament, league and provincial play. They finished the year with a record of 39 wins, 0 losses and 2 ties.

## Macklin Mohawks U15 Win League Final

The U15 Mohawks finished the season with an 18-0-2 record. Their first-place finish gave them a bye in the first round of play offs. They faced Wilkie/Biggar in the second round defeating them 7-4 and 6-2. This brought them to the league final against Unity. Playing the first game in Unity they came home with a 7-3 win. The final game was played at home and the Mohawks were again victorious with another 7-3 win. This capped their undefeated season with a league championship.

## U18 Season

On February 11<sup>th</sup> we began our first round of provincials against the Lashburn Flyers who were the first place team in their league. After defeating Lashburn 6-0 in game 1 and 6-3 in game 2, we moved onto the Kerrobert Tigers, those games ended 5-2 and 9-5. That then got us into the north final against the Muenster Flyers, Muenster had home ice for this series, we lost game one in Macklin 8-6, and went back to Muenster the following weekend. In game 2 we played very well and beat the 4-0 in game 2 and 2-0 the mini game. Provincial D final series we played Redvers Rockets, they were a very deep well rounded team, Game 1 in Redvers ended tied 4-4, game 2 in Macklin the final score was 3-0 for Redvers. Although it wasn't the results we had hoped for, we were proud of the boys for making it to the final round. The highway 14 league teams had an impressive showing in provincials this season. 1<sup>st</sup> place Eston Ramblers won provincial C, 2<sup>nd</sup> place Dynsmore Dynamos were provincial B finalist, and Macklin Mohawks who finished 3<sup>rd</sup> in the league, were provincial D finalists.

## The Macklin Senior Mohawks ended their 2021-2022 with the title of Sask West Hockey League Champions!

The Macklin Senior Mohawks had an exciting overall season. They managed to end the regular season first in the league. The Mohawks beat out the Kerrobert Tigers 3-0 in the first round of the series. The Edam Three Stars stepped up to the plate next and were taken out of the playoff series with Macklin beating them 3-2.

The Mohawks battled the Wilkie Outlaws in a nail biter series that put an end to the Outlaws season after 4 games. Macklin kicked the series off with a huge overtime win at home beating the Outlaws 5-4. The following weekend the Mohawk's had a heart crushing 2-1 loss in OT with a questionable call from the refs. Not to be defeated, the Mohawks came back home the next night and showed the Outlaws that they weren't messing around with a 5-3 victory. The next weekend the Mohawks loaded up the bus, put some cold ones on ice, and said their prayers as they headed to Wilkie to battle the Outlaws for the SWHL title. The game started off with Wilkie scoring 1 minute into the first period. J. Hillis came back to tie the game up 1-1. Second period went by in a fast-paced blur, but Wilkie snuck one by ending the period in the lead 2-1 and leaving our fans gripping their bevvies and jittery in their seats. Not ones to leave their fans in suspense for too long C. Pickett fired one through the five-hole 14 seconds into the third period to tie the game up 2-2. One minute later J. Hillis kept the puck in Wilkie's end and out dangled them to pull ahead 3-2 and drive our fans wild. With the Mohawks leading the score board, Wilkie started scrambling making our goalie N. Hargrave stand on his head and shut down their attempts at scoring. Two minutes left in the game Wilkie calls a timeout and pulls their goalie leading the Mohawks (L. Biensch) to slide the puck into an empty net to cinch the win and title of SWHL League Champions!

The Macklin Senior Mohawks are having their Annual Awards Night April 2, 2022, at the Macklin Lakeview Club House at 7:30pm. They would like to invite all their loyal fans to come out and celebrate with them.

### **NEWS FROM THE FIRE HALL**

Hello all from the Hall!!

Great news this week. The Macklin Chamber of Commerce has donated \$5000.00 towards the purchase of our new Rescue Tools. (Jaws of Life) I have written about this project in earlier columns. It is very appropriate that at the same time Chief Justin was notified about this donation, we were using our present set of Jaws to help free someone who was trapped in a vehicle. We are looking forward to getting these new tools as they are faster, stronger and more user friendly. We are still hoping for more donations. Any money donated for this will go 100% towards paying for them and will help us get this done sooner. We are very fortunate to live in this area and have so many generous companies, organizations and individuals that have come forward and helped us. It is largely due to the financial aid we receive that we have a department that is very capable and well equipped to help us on any emergency scene we come upon!

In the last month, we have been called out to several accidents because the incredibly icy/stormy road conditions. I do not remember a year where we had so many icy roads for so long. In some cases, the roads were bad for 2 or 3 days. Several times highways were shut down by the RCMP. I guess Mother

Nature can still show us a thing or two. When conditions are this extreme we asked that you really consider how important your trip is. Do you really have to risk your personal safety and the safety of others? Appointments can be changed and there is usually something fairly interesting on TV. Two of the calls we responded to we could only drive 60 kilometers an hour. It seems strange driving with flashing lights and going that slow but in both cases we got to where we had to, did what we had to do, and got everyone back safely to the hall!! Remember we can still get crazy spring weather and road conditions can change very quickly. Check the forecast before you head out on longer trips!!

Spring and the warmer temps have the snow melting. It is always a good time of the year to remind everyone to keep an eye on the younger ones if they are playing around moving water or ice covered bodies of water. The ice is very thin and fragile now.

We are still looking for some new members. If you have ever considered giving up some time for a very satisfying and rewarding way to give back to your community or would even just like a tour of the hall, please feel free to contact me or any member of our department. Have a great Spring and be safe out there everyone!!
