Minor Football News

The Macklin Football Association would like to send a big THANK-YOU to Strathcona for their donation of \$2,500 to be put towards the purchase of new helmets for our programs. We are grateful that our athletes only have to pay a fraction of the cost required to outfit them. Currently to outfit a football player the cost is \$500-\$700/player. Our Jr Program is almost 10 years old and the replacement of Team Helmets and other equipment will be starting soon. It's because of the generosity of companies like Strathcona as well as the business' and people in our amazing supportive community that we can offer the many football programs to our youth. Donatus 'Don' Dewald

August 24, 1944 – April 12, 2022

The family of Don Dewald wishes to extend a heartfelt thank you to the many families, friends and neighbours for your comforting words of condolence, cards, food, mass stipends and charitable donations made in dad's name. We also wish to thank everyone for the thoughtful personal gifts we received at the time of dad's passing. We would like to thank Don's medical team and caregivers, who supported him continually throughout his life.

Thank you to Elan Ehresman, Father Long Vu, Father Binu Rathappillil, Bishop Gerald Wiesner, and the Denzil choir for the beautiful services that were provided for dad. In addition, thank you to the Denzil and Macklin CWL, who provided food and refreshments following our services.

A big thanks again to Jeremy and the staff at Gregory's Funeral Home for your care of dad, and the continual care and support throughout the grieving process. In addition to this, we would like to express our sincere gratitude for the special attention given to Don's many grandchildren and great-grandchildren which made the process much more significant.

The kindness and generosity we received will be forever remembered.

Dr. Eid Memorial Scholarship - Fund Windup & Distribution

Dr. Frederick Eid was a pioneering doctor in Macklin. He was born in 1896 in Germany and immigrated to Macklin in 1924. He served as doctor in this community for 44 years. Under Dr. Eid's leadership, the medical practice in Macklin rose from primitive pioneering to very sophisticated standards. He was a well renowned surgeon and kept up with the latest medical procedures of the time. After his death in 1968, his family set up a scholarship fund to help young people from the Macklin area, who were hoping to enter a profession in the medical field. Since 1971, the scholarship has given out \$71,450 in scholarships. The family now wishes to dissolve the Scholarship Fund and donate the remainder of the fund to the Macklin and District Health Foundation. The Foundation has agreed to use this money to continue to give out scholarships to worthy applicants in Dr. Eid's name. Applicants must meet the criteria set out by the Foundation.

It has been a privilege to assist so many young people in reaching their goals in the medical profession and we hope many more people will benefit from the remaining funds.

"Catholic and Living It" theme explored at first diocesan CWL convention since the pandemic

Excerpts from article by Kiply Lukan Yaworski, Catholic Saskatoon News

[Macklin, SK – April 25, 2022] - Inspiration, prayer, reports, future plans, and annual business were all part of the 86th diocesan convention of the Catholic Women's League of Canada held April 25 at St. Mary Parish, Macklin, SK.

CWL members from across the Roman Catholic Diocese of Saskatoon joined provincial and national representatives, spiritual advisors and other special guests for the convention after a two-year hiatus caused by the global COVID-19 pandemic.

Reflecting on the national theme of "Catholic and Living It," presenters and participants focused on new ways forward and a spirit of evangelization, mission and regeneration.

The diocesan CWL convention concluded with Mass celebrated by Bishop Mark Hagemoen, Abbot Peter Novecosky, OSU, and priests from the area, followed by a banquet. The present diocesan CWL executive was affirmed in their roles for another year.

St. Mary's CWL in Macklin would like to thank the following for their support of the convention: Delta Co-op; Universal Church Supplies, Saskatoon; Special Events, Unity; Subway; Thomas Hardware; Macklin CWL members; Macklin Knights of Columbus; St. Donatus CWL; Sacred Heart CWL, Denzil; New Horizon's Senior Center; Macklin School; Threads; Alliance Developments; Mantl; Rona; Reinbold's Electric; Bumper to Bumper; North Park Gas-Up; Macklin Insurance; Fleck's Insurance; Don Isaman Professional Corp; Macklin Tire; Steel View; Royal Bank; Slick Autobody; Re/Max Realtor; Little Albert's; T & T Collision; Sparkle and Shine; Seacret; Bunnock Association; Norwex; Tupperare; Epicure; and Darlene Kidd.

MACKLIN KINETTE CLUB

The spring weather allowed us to complete some outdoor community initiatives this month including our 2nd annual Town Wide Garage Sale as well as completing some updates at Project Park (located by the water treatment plant). Did you know that we added a new structure to Project Park last summer? We were happy to host the Babysitting Course for students at the Macklin School, it was a missed event over the past few years.

We are looking forward to another fun Booze or Bucks fundraiser later this summer (keep an eye out for Facebook posts and posters around town to enter) as well as bartending for some special weddings and the Annual Bunnock Tournament! Have a wonderful summer!

NEWS FROM THE FIRE HALL

Hey all I hope you are having a great spring so far. I recently was asked by the Kinettes to help with the babysitter course they offer here in town. I was asked to cover what they should do if certain emergency situations would occur while they were babysitting. The students were very attentive and asked lots of good questions. After I was done there I thought, "I hope I helped get these future babysitters prepared for events they could have to deal with." This article is aimed at helping the parents work with a new baby sitter, so that everyone knows what to do if they have to.

Number 1: Know that a baby sitter has the right to ask you if you have functioning smoke alarms and they can refuse to babysit if you do not.
 Number 2: It is a very good idea to give them a note that has emergency contact numbers and your address or land location. They should carry this with them in case they have to leave the house in a hurry.
 Number 3: Make sure they have access to a phone so they can call for help if they have to.
 Number 4: Talk to them about you escape plan and where they are to go in case they have to leave the house.
 Number 5: If the power goes out make sure they have access to a working flashlight. Solar lights out in the yard can be brought into the house as well if they can safely get to them. Candles are not recommended!!
 Number 6: Tell them where to take you children in the event of a major wind or hail storm.
 Number 7: If they are working in the kitchen and around the stove make sure they are properly instructed. Most home fires start in the kitchen.

A quick conversation and sharing the above information will definitely get everyone on the same page so everyone is better prepared should something unexpected happen.

Thank you to the Kinettes for providing this course for the young baby sitters and for inviting us to help. We always enjoy talking to the kids. Thank you also to the Kinettes for the very generous donation to our new rescue tool project. They had pledged monies for the next three years and were able to give the total amount in one!! We are still working towards paying for these tools. If you or anyone you know would like to help on this please contact myself or any member of Macklin & District Fire Rescue.

Be safe out there everyone!!
 Have a great summer!
