

MACKLIN & DISTRICT HOMETOWN CONNECTION

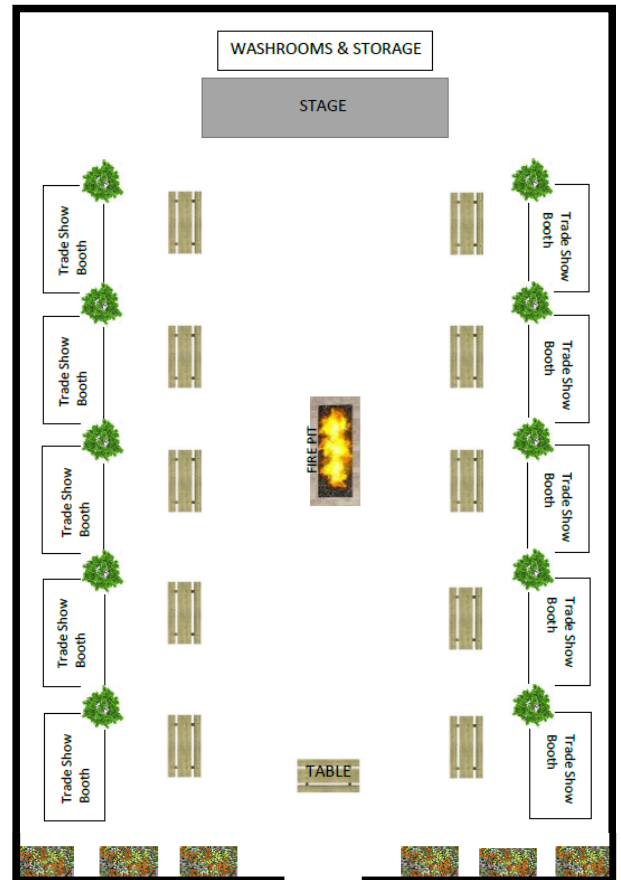

Your best place for community events, information, advertising and much more!

Brought to you by the Macklin Chamber of Commerce

Changes coming to Macklin's Main Street

The Town of Macklin has been successful in obtaining a grant through Western Diversification Canada to demolish two dilapidated stores from the town's main street and replace them with a farmer's market space. Through the construction of an open community meeting space capable of hosting small outdoor community gatherings, this new space will revitalize the existing downtown core business area.

The scope of the project will include demolition of two existing buildings, construction of vendor and public gathering areas, landscaping, and site remediation. Through this project we will be improving the community infrastructure and encourage citizens to re-engage with local service providers. The Town of Macklin has partnered with the Macklin Chamber of Commerce, appointing individuals to oversee the project and guidelines for its operation.

Construction Codes Advisory

Promoting construction of safe, healthy, habitable buildings

Carbon Monoxide and Smoke Alarms – Protecting People in Their Homes

Information at a Glance

Effective July 1, 2022, all buildings in Saskatchewan with sleeping rooms are required to provide early warning protection against the effects of carbon monoxide (CO) poisoning, smoke and fire.

The installation of CO and smoke alarms is the most effective way of accomplishing this requirement.

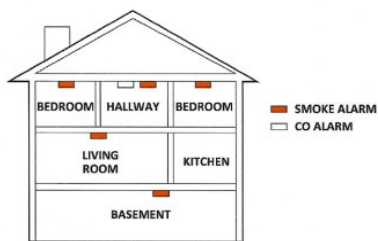

When a building with sleeping rooms contains a fuel-burning appliance, or an attached vehicle parking garage, CO alarms must be installed:

- inside each sleeping room; **OR**
- outside each sleeping room within 5 meters (16 feet) of each sleeping room door.

When a building contains sleeping rooms, smoke alarms must be installed:

- on each floor level of a building, including the level with sleeping rooms, with the smoke alarm located between the sleeping rooms and the remainder of the floor; **AND**
- inside each sleeping room.

An example house, that meets the new requirements for CO alarms and smoke alarms, is shown below.

Compliance with *The Construction Codes Act*, Regulations and the National Building Code of Canada 2015 (NBC 2015) is addressed in this advisory. Words in italic, other than Act and Regulation titles are defined in the NBC 2015.

NEWS FROM THE FIRE HALL

Hello All!

I hope you are all having a great summer!! After the Bones Tournament it doesn't take long and the evenings start getting dark earlier. We sure have had to deal with a lot of hot weather the past 3 weeks. If you are working outside remember to keep hydrated and take lots of breaks in the shade. We have been very fortunate at the Hall (Touch wood) and have not had to respond to any major incidents while it has been so hot. The farmers are starting the harvest and the risk of fires always increases with all the big machines running and the hot dry weather. Please use extra care and make sure all your machines are greased and running smoothly!! We have a lot of farmers in the area now that take their water trucks, pro-tills or double discs to the fields they are working in. This is a great help to us and is much appreciated by the guys at the hall!! It always helps us when we are pulling up to a field fire and you see the locals already battling the blaze with the tools they have. Double discs and water trucks can do a lot in a short time. Remember if you have a water truck on scene we might ask you to fill our wildland trucks. Any kind of 2 or 3 inch hose/pump unit can be used to fill these units. If you are helping at these fires always be aware the risks and hazards you are dealing with. Wind direction and field conditions, washouts, sloughs, fences and power lines can all factor into how you fight these fires. Thank you to the farmers taking these extra precautions. Please use caution, care and common sense on any fire scene.

Many of you might already be aware of some changes in the Provincial Construction codes. These rules are effective as of July 1st of this year and apply to all buildings in Saskatchewan where people sleep. The new regulations require CO Detectors on every level of the house that has sleeping rooms and smoke detectors in every bedroom. Please see the advisory to the left. If you have any questions, please feel free to do some research on line or contact any member of the fire department!! Be safe out there, stay cool and have a safe fall season!!

Macklin Transit Service

The Macklin Transit bus is operating a weekly schedule for in town transportation.

To initially gauge public support and the amount of need a pickup service will be available every Tuesday from 9:00 a.m. until 4:30 p.m. **NOW OPERATING!**

Door to door pickup can be arranged by calling the Town Office at 306-753-2256.

Cost is \$2.00 per round trip subsidized by a generous donation provided by Trilogy Oilfield Ltd.

There is also an opportunity to make special trips to nearby communities for appointments, these trips are subject to the availability of a driver and payment of additional travel costs. If there is enough participation from the community, we will consider expanding the service to additional days and locations.

Proudly sponsored by:  **TRIOLOGY**
OILFIELD LTD.

WEST CENTRAL CRISIS & FAMILY SUPPORT CENTRE INC.

#116—1ST AVENUE WEST
BOX 2235—KINDERSLEY, SK S0L 1S0

West Central Crisis and Family Support Centre is a non-profit organization that covers a large geographical area of Saskatchewan. The community of Macklin is part of our service area. We are happy to let you know that office space has been donated by the Town of Macklin allowing us to be in person in your community 1-2 days a month. Please call and book a time!

West Central Crisis Centre offers a wide range of services which include but not limited to individual counseling, couples counseling, crisis counseling, mobile crisis response, addictions and mental health supports, matrix program and various community supports. We have recently began a pilot project called FIRST. This program looks at a wide variety of individual, family and community issues. Sometimes, people or families are struggling with finances, addictions, mental health or personal issues that a community or individual has some suspicion of but not complete proof. This program is allowing for calls of concern to come to our office and we can approach the family or individual and assess or offer assistance. Our goal with this program is to get supports in place for people before circumstances get more intense requiring RCMP and emergency response. We look forward to getting into your community and being able provide service.

Our office number is 306-463-6655.

Macklin Lakeview Cemetery Project

The Macklin Lakeview Cemetery Committee has been moving forward with the cemetery improvement plan as time and funds allow. Currently the concrete pilings for the stone pillars has been installed and initial landscaping is underway. The original entrance sign leading into the cemetery will be removed shortly and sent to Kohlman's Machine & Welding for repair, expansion, and powder-coating.

The committee has decided to use the individual stone pillars as dedicated commemorative spaces available for sponsorship. There are 26 permanent stone pillars being constructed to support the wrought-iron perimeter fence. Through a donation of \$3,000 a commemorative plaque will be inlaid within a stone pillar to forever recognize your contribution towards this project.

To date, 12 pillars have been purchased leaving the remaining 14 available. If you have been thinking about providing a donation to this project please don't delay, the last available pillars are available on a first come basis.

Tax deductible receipts will be issued for all donations. For further information on the stone pillar dedications or other donation opportunities, please contact the Town of Macklin at 306-753-2256 or town.macklin@sasktel.net

(P)780-842- 6123 ((F) 780-842-3443

Prairie Vision is proud and excited to announce the addition of Dr. Dylan Johnston to our team. He is now booking appointments for established and new patients. To book, phone 780-842-6123 or book online at www.prairie.vision

Dr. Dylan Johnston completed his Doctor of Optometry at Southern College of Optometry (SCO) in Memphis, Tennessee, graduating with Cum Laude distinction. His training included a rotation at a private practice in Pennsylvania, ophthalmology practice in Kentucky, and voluntary humanitarian trips to Colombia and Costa Rica. He enjoys working with specialty contact lenses and was awarded the 2021 GP Clinic Excellence award from the GPLI institute. Dr. Johnston was born and raised in Macklin, Saskatchewan and took his undergraduate degree at The King's University in Edmonton; where he majored in biology and minored in chemistry and business administration. In his spare time, he enjoys curling, skiing, biking, hunting, fishing, and travelling. Dr. Johnston is excited to be moving closer to home and looks forward to providing care to Wainwright and its surrounding communities.

MACKLIN LIBRARY

We held the annual TD Summer Reading Club Craft and Story Time in July and August. The last day was August 31 with the Pre-Readers and Readers who signed up entered in a prize draw. Thank you to everyone who participated and congratulations to the winners!
 The Notice Nature initiative runs until October 31 - returned bingo cards will be entered in a draw for prizes as well.
 We still have our monthly "Authors Born In" display. A few authors born in September are Roald, Dahl, Stephen King, Jenny Han, and Agatha Christie. Come check it out!

I hope everyone had a great summer!

Questions? Call Jennifer 306-753-2933 or email macklin.lib@lakeland.lib.sk.ca

Hours:

Tuesday: 1:00 – 6:00

Wednesday: 1:00 – 6:00

Thursday: 10:00 – 2:00

Library Playgroup

Every Thursday

10:30 – 11:30 For ages 0 – 6

SALUTE TO AGRICULTURE

THANK-YOU FARMERS!

At Harvest, farmers give up having meals at the dinner table, so we can have meals at ours.

Thank you Farmers
