Your best place for community events, information, advertising and much more!

Brought to you by the Macklin Chamber of Commerce

## WHAT SHOULD I DO WITH THE SNOW FROM MY DRIVEWAY?

It is the policy of the Town of Macklin to clear snow from all emergency, business and school bus routes as first priority.

***When clearing the snow from your sidewalks or driveway, please make sure to deposit this snow onto your own property.***

By blowing, shoveling, or moving the snow from your driveway or sidewalk onto the street, you are compounding what already is a daunting task.

Your assistance when removing your snow will allow the Town maintenance staff to quickly and efficiently clean snow from our streets.

***Please make sure you are visible and give plenty of distance to Town snow removal equipment when clearing streets.***

### Snowmobile Bylaw

The use of snowmobiles and all terrain vehicles are covered under legislation passed by the Province of Saskatchewan and violations of this act are enforced by the local RCMP. Persons owning and operating any snowmobile or ATV should know what is permitted under this piece of legislation. Please contact any member of the RCMP by calling 753-2171 to discuss your rights as a property owner or ATV owner.

Complaints under the All Terrain Vehicles Act should be directed to the RCMP. As responsible vehicle owners please respect the rights of private property owners and members of this community. Violations may be issued for excessive noise, intrusion onto private property of any other violation covered under the above mentioned legislation.

Town Bylaw 01/10 allows snowmobiles and ATV's to operate in Town limits Only for the purpose of exiting or entering the community. When entering or exiting the most direct route should be followed.

The return of the annual World Championship Bunnock Tournament brought with it the return of the concessions run by our local organizations. St. Mary's CWL, Macklin administers the parish hot food booth and the stretchie booth. The CWL and the parish are very grateful to everyone who contributed to these booths in some way, the organizers, the workers, the bakers and the customers.

Due to the success of these endeavors, the CWL was able to return to our practice of dispersing the funds to community organizations. We appreciated each and every application for funds, but as is so often the case, the need was greater than the funds available. We hope that everyone will apply again next year. Those chosen to receive funds this year were Macklin Community Drama Group, Macklin and District Museum, Macklin Skating Club, St. Joseph's Health Centre, Heartland Health and St. Mary's Parish.

## You've Been Zapped! Water Games at the Villa a Hit

Villa Marie made sure they ended summer with a bang when residents along with Evesham Community Church's Youth Group and friends got together for an afternoon of great fun. They played Bones, had supper together, and sang along but the greatest fun surely was the water gun fight.

Armed with water guns, residents took up position across from the kids who were allowed to move around but could not leave the patio. As streams of water started shooting out from all directions, you heard surprised shrieks and thunderous laughter while the kids ducked and dived but utterly failed to stay dry. Merry Christmas Everyone.

It seems strange to be saying that already!! Once again December is here and everybody is getting in the holiday spirit!!! I hope the end of the year finds you all happy and healthy. It is great time of the year to spend time with friends and family a celebrate together.

Just a few reminders to keep you safe over the holidays:

- Always use caution with using candles. Never leave them unattended.
- Use care when using ladders or crawling up on a roof when hanging lights and decorations.
- Make sure cords are in good condition and are strung properly.
- Make sure if you are travelling in cold weather to take a "survival" kit with you. Extra coats, proper boots, blankets, etc.
- Make sure your car is winter ready and the tires are in good conditions.
- Try to keep sidewalks and driveways clear of ice and snow.
- If you have a live tree keep it watered and use care when it gets dry. Dry trees are extremely flammable.

Membership wise we are very happy to welcome Amy Deck and Kendra Klinger to hall. They have been out to a couple of meetings and seem to be enjoying what they are learning. Very glad to see new members coming out and we always have room for more volunteers. Remember: "What if volunteer fire fighters didn't volunteer!!" If you have any questions about who we are and what we do please feel free to contact me or any other member of our department. We will gladly show you around the hall and explain what is involved to join us.

That's all from the HALL!!!

Make sure you hug your friends and family and say Merry Christmas to them from all of us at Macklin and District Fire and Rescue!!!!

Have a safe and happy Holiday Season!!!

## Minimum Terminal Protection Guidelines SHIPPING IN CALL2RECYCLE BOXES

Below are the minimum requirements for preparing household batteries for shipment. When in doubt of the battery type, Call2Recycle® recommends the battery be individually bagged or taped.

### BATTERY TYPE / CHEMISTRY

### TERMINAL PROTECTION REQUIRED?

#### Rechargeable Batteries

Lithium Ion (Li-Ion)  
Small Sealed Lead Acid (SSLA/Pb)

#### Primary Batteries

Lithium  
Alkaline (over 12v)  
Button/Coin Cell

- ⚠️ **DAMAGED BATTERIES:** Special Transport Canada-approved packaging (not included here) for shipment required. Contact Customer Service at 1.888.224.9764 for assistance.
- ⚠️ Call2Recycle boxes should be shipped when full (25 kg) or within one year of the collection of the first battery.
- ⚠️ Display the Call2Recycle collection box in a cool, dry place and where it is under supervision.

**YES** Terminal Protection IS REQUIRED

#### Rechargeable Batteries

Nickel Cadmium (Ni-Cd)  
Nickel Metal Hydride (Ni-MH)  
Nickel Zinc (Ni-Zn)

#### Primary Batteries

Alkaline (under 12v)  
Carbon Zinc

**NO** Terminal Protection NOT REQUIRED (drop in the box)

**Charge Up Safety!**  
call2recycle.ca/safety

**Avoid the spark!**  
Battery terminals that touch metal surfaces or other batteries can spark, causing a fire or explosion.

### Protect terminals before shipping How to Bag or Tape a Battery!

**call2recycle**

© 2017 Call2Recycle Canada, Inc. All rights reserved.

REMINDER: Call2Recycle only accepts battery shipments in Call2Recycle boxes or those pre-approved by Call2Recycle.

8/17

## Call2Recycle accepts rechargeable batteries each weighing less than 5kg

### Accepted Rechargeable Batteries

## Call2Recycle accepts primary batteries each weighing less than 5kg

### Accepted Primary (Single-Use) Batteries

## Bagging is the quickest and easiest way to protect battery terminals

Call2Recycle provides self-sealing plastic bags with its boxes

- 1 Place the battery into a clear plastic bag
- 2 Drop the battery in the bag
- 3 Peel away the adhesive protective film
- 4 Fold the flap over and seal by making contact between the adhesive strip and the bag

Gloves are recommended in high-volume environments.

### What happens to a recycled battery?

The recycled materials that come from batteries are used to manufacture new products such as:

Plus, the batteries are kept out of landfills!

## Battery terminals must be protected

Here's why.

Many batteries hold a residual charge even when they appear dead. When this battery comes into contact with other batteries or metal, a spark or heat can occur.

Unprotected battery terminals can be dangerous.

### You can use these types of tape (clear preferred):

Only tape the terminals, DO NOT cover the entire battery or the chemistry type on battery label.

## Call2Recycle will NOT accept these batteries:

- Batteries weighing more than 5 kgs
- Wet cell batteries (composed of a liquid), such as car or boat batteries
- Lithium Ion rechargeable batteries over 300 watt hours
- Lithium primary batteries with over 25 grams of lithium content
- Any batteries that do not fit in a Call2Recycle collection box

### Call2Recycle will NOT accept any Lithium Ion or Lithium batteries that show signs of damage such as swelling, smoking, leaking or overheating.

Do NOT place damaged Lithium Ion or Lithium primary batteries in a collection box. Immediately put them in an absorbent, non-flammable material (sand or cat litter) in a cool, dry area.

Call2Recycle Canada offers special packaging for defective, damaged or recalled (DDR) Lithium Ion and Lithium Primary batteries. Contact Call2Recycle Customer Service at 1.888.224.9764 to order a DDR kit.

**MACKLIN KINETTE CLUB**

Hello Everyone

Well winter has thrown us some curveballs already – really nasty to really nice weather!

We had our November meeting and were able to make a couple of donations. One to Stars for \$500 and the other to our local Nurse Practitioner Louise Petersen who is going on an International Medical Mission to Guatemala. She will be acting as a GP to offer medical care to under-privileged residents there. We donated \$500 to Louise and are looking forward to her presentation to our club when she gets back,

We have our TeleMiracle Toy Bingo the last Sunday of November – here's hoping for nice weather, lots of fun, and a great time had by all families. We would like to say a BIG THANKS to all our donators for the prizes and toys.

We will be starting to sell TeleMiracle hands up at the Arena again really soon, as well as raffle tickets on some great baskets.

We'd love for anyone to attend a meeting or a "fun night" with us. Come and check out our group and see if you think it's something you'd enjoy joining and being a part of. We have a great group of Community minded people and we're a lot of fun!!

Any questions or to reach out – text Lori Cosh @ 306-753-9230

**Macklin Senior Girls Host Volleyball Provincials**

Macklin School was host to the 3A Senior Girls Provincial Volleyball November 18 & 19<sup>th</sup>. Ten teams from across the province battled for first place, with local teams from Macklin and Unity in the chase for gold. The tournament also featured teams from Briercree Christian Academy, Carnduff, Dalmeny, Kipling, Lanigan, Maple Creek, Oxbow, and Watrous. The teams began the day with opening ceremonies where the group was escorted by an RCMP officer and Scottish bagpiper. Each team was introduced and the competition kicked into action at noon on Friday. It was a phenomenal weekend of competition with many of the sets requiring a tie-breaker and scores that were very close. A full list of results can be found on the Saskatchewan High School Athletic Association website – [www.shsaa.ca](http://www.shsaa.ca). Although both Macklin and Unity gave strong performances, they were eliminated during the quarterfinals and the championship ultimately went to the Lanigan Lazars – coached by Macklin's own alumni Haley Wagar. Lanigan has had a strong year and was a force to be reckoned with.

Macklin School would not have been able to host this event without the support of our staff, students, parents, community and business sponsors. We were also fortunate to have Ryan Kobelsky of our IT department orchestrate, teach, and work with students to provide live streaming of the events all weekend, allowing over 1600 people to view the games and keep up to date on the results. Thank you to all our amazing volunteers and to the following businesses and organizations for their contributions.
