**Macklin Lakeview Cemetery Project**

The Macklin Lakeview Cemetery Committee has been moving forward with the cemetery improvement plan as time and funds allow. Currently the concrete pilings for the stone pillars have been installed and initial landscaping is underway. The original entrance sign leading into the cemetery has been repaired and installed in its new location.

The committee has decided to use the individual stone pillars as dedicated commemorative spaces available for sponsorship. There are 26 permanent stone pillars being constructed to support the wrought-iron perimeter fence. Through a donation of \$3,000 a commemorative plaque will be inlaid within a stone pillar to forever recognize your contribution towards this project.

To date, 12 pillars have been purchased leaving the remaining 14 available. If you have been thinking about providing a donation to this project please don't delay, the last available pillars are available on a first come basis.

Tax deductible receipts will be issued for all donations. For further information on the stone pillar dedications or other donation opportunities, please contact the Town of Macklin at 306-753-2256 or [town.macklin@sasktel.net](mailto:town.macklin@sasktel.net)

### Obituary of Eileen Anne Manchester

Eileen Anne Manchester (nee Kluck) was born September 27, 1940, the second child to Julius and Anne Kluck. Her brother Roman was born in 1937.

Mom attended school at Western Ridge (which has been relocated to the Provost Museum grounds) from 1945-1953, the balance of her schooling took place in Macklin. She had dreams of becoming an airline stewardess, but due to the height regulations at the time, decided to go to McTavish Business College in Edmonton to get her Secretarial Course. Upon completion, she was hired at the Bureau of Vital Statistics where she enjoyed her job entering information on birth, deaths and family lineages.

On July 27, 1962, Eileen married Grant Manchester, eldest son of George and Mathilda "Tillie". To this union were born three sons, Thomas (1963), Scott (1965) and Clint (1972).

Our parents lived on Dad's family farm and continued to do what they loved until 2014 when dad moved into St. Joseph's Health Centre and mom settled into the Villa Marie Senior Centre in Macklin.

Mom loved to garden, canned meat and vegetables and made lots of jams. She helped on the farm and drove grain truck for 27 years, tended to the cows and kept the yard looking its best by planting flowers and keeping the hedges trimmed.

Mom was an exceptional cook and kept her family well fed with some of the best cooking you've ever tasted. She would never turn someone away at mealtime. Whether it was unexpected company or a mechanic fixing the tractor, she welcomed them all into her house for a meal. "I'll just toss another spud in the pot and a plate on the table. Sit and enjoy".

She played some ball and curled a little in her early years, but her real pastimes were collecting, hunting, fishing and playing cribbage, the last two being exceptionally good at. Mom seldom turned down a chance to go fishing with family or friends and enjoyed just sitting and visiting with people, even total strangers. She had a wicked sense of humor and would soon have everyone laughing or shaking their heads.

Mother passed away peacefully, with her family by her side, on July 21, 2023 at the Provost Health Centre age of 82 years.

She will be lovingly remembered and missed by her sons and their families, Tom (Cathy) and their children, Andy (Chantell), Cody (Krista), Shareen (Lorne) Geer; Scott (Tanya Chester) and their children, Madison and Nolan; Clint (Jill); brother, Roman (Evelyn); brother in law, Wallace; sister in law, Roberta Agar (Fred Plotnikoff); as well as her great grandchildren, Brittin, Emberly, Jayden, Donovan, Leyna, Kylee, Hailey, Kasen and Matthew; as well as numerous nieces, nephews and extended relatives.

Mom is predeceased by her loving husband of almost 53 years, Grant; parents, Julius and Anne; stepfather, Tom McDowell; parents in law, George and Tillie; daughter in law, Tanya Manchester; great grandson, Denton Manchester; brother in law, Wilf Gammel and sister in law, Edna Manchester.

### Thank You

The family of the late Eileen Manchester wish to extend our sincerest thank you to all the wonderful people who offered support at the time of our dear mother's passing.

Thank you to Dr. Duval, Dr. Basi, nurses and all of the medical staff at St. Paul's Hospital in Saskatoon. Thank you to Dr. Erasmus, Dr. Malan, nurses and all the medical staff at Provost Hospital who went above and beyond to treat Mom with respect and dignity during her final days.

To Pastor Paul McCormick, thank you for your kind words, grace and eloquence in officiating the service for our mother.

We would like to express appreciation to Melody Kuhn for playing music, Darren Stang, Videre Images for recording the service and Cazes Flowers for the beautiful arrangements. Thank you to the community of Evesham for the use of the hall and to the ladies who served the lunch after the service.

To Gregory's Funeral Home, thank you for your assistance and professionalism. Your empathy and support made a difficult time more bearable. Your staff are truly an amazing group of people.

While we may not be able to thank everyone individually, the family wishes to express their deep gratitude for the donations made to the Villa Marie and the Diabetes Association of Saskatchewan in Mom's memory as well as those who offered comforting words, prayers, food, flowers, cards and attended Mom's service.

Your thoughts, generosity and support were very much appreciated and will never be forgotten.

### News from the Hall

Hey All Where did the summer go??!! I can't believe we are turning the calendar page again. Remember, now there will lots of children walking and biking to school again. Always be careful in and around the school zone especially around 8 to 9 in the morning and 3 to 4 in the afternoon. Take a little extra time and watch all around you. I have been in the church parking lot at dismissal time and there is a lot of traffic and students weaving in and around the vehicles. Be safe all!!

Training wise we did a joint training night with the Provost Fire Department. Several members of our department and the Provost and Cadogan Departments were sent in to find a fire in the buildings on the Provost Training Ground. Live fire training is always very valuable and some of our new members were doing this training for the first time. They all did very well and several comments were made about how hot it gets when a fire is burning in an enclosed area. Thank you Chief Justin and Hugh (Boom) Baier for coordinating that night. It takes lots of work to set up evenings like that and it is always good to spend

time with neighboring departments as we could soon be working in the same fire or accident scene.

We did have some call outs in the last month. One that really sticks out is a big truck fire along the highway on Bones weekend. I was just walking onto the courts and someone pointed at the big black smoke and said "Pat that doesn't look good" and off to the races we go. Fortunately everything went well on that call, the fire was put out using compressed air foam and no one was hurt. This is the third time in recent years that we have been called out to major incidents on the August Long Weekend. Always use extra care when travelling on long weekends. The increased traffic increases the risks for everyone on the roads.

That's all from the hall. Have a great fall and safe harvest season!!!  
BE SAFE EVERYONE

## PROPERTY OWNER RESPONSIBILITY

The Town of Macklin has a bylaw that provides authority to regulate and enforce the care and maintenance of your private yard. If your property is adversely affecting the health or safety of your neighborhood or is interfering with your neighbor's enjoyment of their property, you may be in contravention of this bylaw. Annually, the bylaw section dealing with overgrown grass and weeds as well as general yard maintenance is a large source of complaints to the town office. It is your responsibility to ensure your property is neatly cared for; this includes the boulevard adjacent to your property. Grass and weeds should be maintained regularly, and trees/hedges should not be overhanging the sidewalks.

The Town of Macklin has the authority to inspect your property, deem it to be untidy and order you to remedy all items listed in a written order. Should the items listed in the order not be corrected in the time provided, seven days, the Town of Macklin will hire a contractor to complete the work required. All fees and charges associated with the ordered work will be invoiced back to you the property owner; if this invoice remains unpaid it will be added to and be collected with your annual property tax invoice. For the benefit of the whole community, take care of your property; it will allow everyone to enjoy a clean and safe community environment. The enforcement provisions outlined in the Nuisance Bylaw are there to promote community pride and are considered discretionary enforcement tools for compliance. For a complete copy of the Nuisance Bylaw please visit the town's website at [www.macklin.ca/government/bylaws/nuisance](http://www.macklin.ca/government/bylaws/nuisance)
