**Macklin Lakeview Cemetery Project**

**Only 2 Pillars Left!**

The Macklin Lakeview Cemetery Committee has been moving forward with the cemetery improvement plan as time and funds allow. Currently the concrete pilings for the stone pillars have been installed and initial landscaping is underway. The original entrance sign leading into the cemetery has been repaired and installed in its new location.

The committee has decided to use the individual stone pillars as dedicated commemorative spaces available for sponsorship. There are 26 permanent stone pillars being constructed to support the wrought-iron perimeter fence. Through a donation of \$3,000 a commemorative plaque will be inlaid within a stone pillar to forever recognize your contribution towards this project.

To date, 24 pillars have been purchased leaving the remaining 2 available. If you have been thinking about providing a donation to this project please don't delay, the last available pillars are available on a first come basis.

Tax deductible receipts will be issued for all donations. For further information on the stone pillar dedications or other donation opportunities, please contact the Town of Macklin at 306-753-2256 or [town.macklin@sasktel.net](mailto:town.macklin@sasktel.net)

## News from the Hall

Hey all Hope you are all ready for November!!

Just an update since my last column. On September 28 Myrna and I travelled to Saskatoon. They had a ceremony there to honor first responders from all over the province who have served for 25 years. I was honored to receive the Saskatchewan Protective Services Metal from the **Hon. Russell B. Mirasty Lieutenant Governor**. It was a very simple event but it was an honor to sit with the other 41 recipients and receive these metals. It amazes me how quickly the last 25 years have gone by and what an honor it has been to work with all the past and present members of Macklin and District Fire Rescue and the Macklin and District Fire Board.

I would just like to share a few of the things I have learned over the past 25 years on our department: Fire Prevention Week with the students is always fun and educational. Kids think firefighters are cool! Sometimes your day (Or night) might not go as planned. Never drink and drive. NEVER text and drive, ever! I've learned that some people feel it is necessary to take pictures or video as they are passing an accident scene, instead of keeping their eyes on the road so they don't run over a first responder. (This is something I will never understand or accept) Somebody's bad day doesn't have to be a social media post. I've learned that the first time you drive a Rescue Van with light and sirens going it is pretty hard to control your adrenaline. Always have good, season appropriate tires. Always keep warm cloths and socks right beside your bed during the winter months. Check your smoke detectors and replace them every ten years. Install Carbon Monoxide Detectors Accidents and fires can, and often do happen on holidays or long weekends. Members of the Police Force are great people and they are just trying to help people stay safe. Life is precious!! Anyone is capable of incredible things. I've learned how to use the Jaws of Life and a bunch of other great tools that help us do what we need to do. How to hook up to a fire hydrant and pump water with many different trucks. Working together on a team can allow you to accomplish great tasks. Training and practice is very important but it cannot prepare you for every situation. Always have a Plan B and if necessary a Plan C and D. I've learned that sometimes you can't drive as fast as you would like because of a severe storm, heavy fog or extremely icy highways. I know it takes a long time to roll the doors up by hand if the power is out at the hall when you are going out on a call. It is important to have the love and support of your spouse and family. I know they are not sleeping if I go out on a call in the middle of the night until I get home. I've learned that going to a funeral for a fallen firefighter is something you will never forget. I've learned the communication is very important when you are working as a team. I've learned that it can be very rewarding and satisfying to help someone who needs our help. I know I have the support of 20 plus individuals who will help me through an especially tough event. I know that I will be there for them too if they need it. I've learned that 25 years isn't a very long time if you are doing something you love. Stay safe everyone!!!

## VILLA MARIE NEWS

October turned out to be a splendid month at the Villa. We celebrated Thanksgiving together, enjoyed Macklin's Fall Fair, enjoyed music concerts and a sing-along, and went on trips to explore the countryside and Denzil Museum.

Thanksgiving was a lovely celebration with gorgeous pumpkin center pieces, good food, and many reminders of all the many things we are gifted with. We had lots of fun checking out Macklin's Fall Fair and went sightseeing around town and in the countryside. We also enjoyed a sing-along with Richard Stang and a fantastic music concert with Dan & Janet Fisher.

Residents spent a lovely afternoon at Denzil's Heritage of Hope Museum. We were delighted with all the artifacts and the special memories it brought back. Residents and museum committee members shared stories over tea and snacks. It was a wonderful experience and we would like to express our appreciation to the committee members in Denzil who went out of their way to make sure we had a memorable afternoon.

Finally, Villa Marie is excited to announce that a Management Team was appointed to steer the Villa forward. Helena Hoogstad will remain as Manager until the Board appoints a new manager. She will be assisted by Michelle Sieben (Assisted Manager), Kellie Demers (General Assistant), and Doug Stang (Maintenance Manager). The new team is eager and honored to serve the Villa and to spend time with the residents. Are you interested in joining our team as Manager? Give us a call (306-753-2422) or send your resume to Helena (villamarie.helena@gmail.com).

# THE FIRST ANNUAL HARVEST FESTIVAL

presented by the Macklin Chamber of Commerce a Huge Success!

On October 6, 2023 the Chamber of Commerce hosted Macklin's 1<sup>st</sup> annual Harvest Festival! We saw great success with the event and look forward to planning for 2024!

The Harvest Festival came to life with a vision to bring the community together with some good old fashion family fun! It was with great excitement the Festival planning began in late August. With the help of Local Businesses and Non-Profit organizations we were able to bring the Harvest Festival to life!

The day brought many fun activities for the kids and of course adults to enjoy. You can see many loved and lined up for the Push Cart Races brought in by Slicks Auto Body. There was face painting for the kids along with the ultimate test of strength when hammering nails with Macklin Rona. Kids were scoring left right and centre with the Mohawks while enjoying all the goodies and treats throughout! Martha's had those pumpkin decorators hard at work. Our local Co-op was busy giving away all the tasty DQ treats with plinko while the Price is right was a hit over at J&S along with some Frisbee dunk at Home Hardware! The Kinettes were on top of it with the must needed cotton candy along with Synergy and their delicious mini donuts. Lunch and supper were covered by the Skating Club and Macklin School Parent Council. With Photo booths set up throughout and truly too many activities to list, the fun was endless. The day ended with the Curling Rink Social along with some good old fashion Pie in the Face with the Sr. Mohawks.

There truly was something for everyone at the Annual Harvest Festival with untold excitement from all the kids running to enjoy all the activities.

Thank you to Nathan Kohlman for being the Chambers personal photographer. To the Town of Macklin workers ensuring all was ready for the big event. A special thank you to Strathcona Resources for their donation to the Harvest Festival. Most importantly we would like to thank all of the local businesses and non-profits for coming together to participate in this memorable day. We know a lot of time and energy went into everyone's planning and we could not have seen the success of the Festival without you all.

We look forward to seeing you all next year!
