## Letter from the Chief

Hello All!

I would like to start with a big CONGRADULATIONS to the Grad class of 2020. What an incredible and historic set of events your class has seen to get you this far. What you have accomplished is a big step forward in your life and it is an event definitely worth celebrating. Please do so safely. At this point things may seem uncertain for your future but be patient and have faith that your plans will come together and you will accomplish what you want. It just might take a little longer than you were hoping. Remember you are not the only ones going through this and everyone is working hard to get things back to where they should be. Remember you have your classmates, friends, family and community supporting you and willing to help you through the next phase of your life. Have fun and be proud of your accomplishments so far. Enjoy what comes next...your future is in your hands!!!

Now that the provincial government is easing some of the restrictions for gatherings, our department will no longer be doing the birthday visits for the young ones in town. We have had a lot of fun doing this and it was great to see the big smiles on the birthday person and the parent's faces when we would stop at their house. It seemed to make them feel special on a day they would normally be celebrating with friends and family but couldn't this year. These types of visits were done by several Departments all over Saskatchewan and Alberta and sure seemed to make birthdays special for kids who would otherwise have had very quiet days. Thanks to very generous donations from Gopher Byte, Lowe Automotive, Rona and some private donors; all the cost of these visits were covered. Any rumors that this was a cost to the tax payers or that we were giving the kids rides in the trucks during this time are completely false. Thank you to the families that invited us. We hope you had as much fun as we did!!

Have a fun and safe summer. Be careful around your camp fires and safe travels with your campers!!

Pat G. Stang, Fire Chief  
Macklin & District Fire Rescue

## CWL

On June 17, 202, the Catholic Women's League of Canada celebrated its 100th anniversary. To commemorate this very special occasion and to celebrate 100 years of service 'To God and Canada' St. Mary's CWL, Macklin planted a Linden tree in St. Joseph's Park. On June 24, a short ceremony with a blessing by Father Binu was held at the park. The tree celebrates our 'roots' from the past century while we look to the future as we 'branch out' into the next century.

We would like to express our appreciation to Dr. Erasmus and the staff at the Provost Health Care Centre, NP Andrea Zimmer, RN Krista Gurney and the rest of the Macklin Home Care Staff for the care Arnold received throughout his courageous battle with cancer.

Thanks to everyone for the condolence messages, food, phone calls, flowers, cards, gifts, memorial donations and 'distance visits' after Arnold passed.

We would like to thank Jeremy, Katrina and the staff at Gregory's Funeral Home for their professional and compassionate service. We also send our gratitude and appreciation to Fr. Binu for his kind words at Arnold's graveside service.

## MACKLIN VACATION BIBLE SCHOOL

The decision has been made to cancel the 2020 session of Macklin VBS. There does not appear to be a date when a group as large as our openings and closings will be able to gather. Also, even if such a date comes about, social distancing while doing lessons and crafts with children is not going to be a possibility and so this difficult decision has been made.

We hope that we will be able to go forward with VBS again in 2021 and that both our wonderful volunteer support as well as our fabulous community support will be behind us at that time. You are all greatly appreciated! Thank you to all who continue to support us in this very important endeavor!

Until then, please pray for all of our VBS families and be safe.

# RAGE

The Macklin Rage U18 volleyball club team had a shortened season this year. The team consisted of all Macklin girls (Devyn Steinhubel, Emma King, Leah Weinkauff, Kylie Stupka, Amy Deck, Emma Stang, and Olivia Farkas) this season. The team had such a successful high school season and it made sense to try carry that success, into the club season. Practices and exhibition matches began in January. The teams first action was the Regina Stealth tournament held in North Battleford on February 1 st and 2nd . The team finished 5th out of 10 teams, not the start we had hoped for. Things improved the following weekend (February 8/9) our first Sask Cup 1, held in Saskatoon at the Henk Ruys soccer centre and at SaskTel Sports centre. The teams were seeded heading into the tournament. The girls were seeded in Division 2 Tier 1 at the start of Saturday. At the end of Sunday, the girls finished 7th in the province behind Regina Stealth, Saskatoon Huskies, Regina Cougars, P.A Toppers, Wascana Selects (Regina), and Swift Current Sundogs. So, the girls were in with some tough competition. Most of these teams have the top recruits for college and university teams leading them and all 17 -18 years old. Our little town made up of mostly 16- year-old players, with two 17-year old's (Devyn and Emma King) competed and competed well against all these teams. The girls had some very close matches.

The team had a few weeks off before the next Sask cup, so they played Provost (EVC) volleyball club an exhibition match in Macklin. The girls went undefeated all 5 sets against the U18 Provost team. This led us into our next Sask Cup 2 held in Lloydminster on March 7 th and 8th. This Sask Cup we were seeded 7 th and therefore played in Division 1 made up of the top 8 teams in the province. Lloydminster

for club has always proven difficult for our girls over the years, not sure why? We had one player injured from the first Sask cup in Saskatoon Kylie Stupka. This made things difficult when you carry only 7 players on your roster. Kylie did start in her traditional position on the left side power position. This was creating physical distress for her, so she was moved to another position. Amy Deck played power for the weekend. We struggled the whole weekend and eventually finished 8th. When you play consistently good teams, that height averages six feet plus, it takes its toll mentally. So, we had another couple of weeks off and were seeded 8th for the next Sask Cup 3 to be held in Yorkton on March 28th and 29th. We all know what happened on March 19th . So, our last time together as a team was the Lloydminster Sask cup 2. It was a huge let down, especially for our two older girls. I feel like we had some unfinished business and didn't have a proper end to our seasons. We will lose Emma King and Devyn Steinhubel (Pictures right) next season for both High school and club. These two have been instrumental in our successful past several seasons. We wish them all the best and will miss them dearly. This club volleyball team could not have competed this season, without the support of our community and local businesses. Thank you to the Macklin Credit Union, Double V farms, Macklin Rona, Steelview, Macklin Kinettes, Prairie Moon, Macklin Coop, Farkas Farms and the Living Sky School Division (Facilities) for your support this season. Please let's continue to shop local and keep our money invested in Macklin.

## Property Nuisance Bylaw

The Town of Macklin has a bylaw that provides authority to regulate and enforce the care and maintenance of your private yard. If your property is adversely affecting the health or safety of your neighborhood or is interfering with your neighbor's enjoyment of their property you may be in contravention of this bylaw. Annually the bylaw section dealing with overgrown grass and weeds as well as general yard maintenance is a large source of complaints to the town office. It is your responsibility to ensure your property is neatly cared for; this includes the boulevard adjacent to your property. Grass and weeds should be maintained regularly, and trees/hedges should not be overhanging the sidewalks.

The Town of Macklin has the authority to inspect your property, deem it to be untidy and order you to remedy all items listed in a written order. Should the items listed in the order not be corrected in the time provided, seven days, the Town of Macklin will hire a contractor to complete the work required. All fees and charges associated with the ordered work will be invoiced back to you the property owner; if this invoice remains unpaid it will be added to and be collected with your annual property tax invoice.

For the benefit of the whole community take care of your property; it will allow everyone to enjoy a clean and safe community environment. The enforcement provisions outlined in the Nuisance Bylaw are there to promote community pride and are considered discretionary enforcement tools for compliance. For a complete copy of the Nuisance Bylaw please visit the town's website at [www.macklin.ca/government/bylaws/nuisance](http://www.macklin.ca/government/bylaws/nuisance)

## Alliance Pipeline Aquatic Centre

Alliance Pipeline Aquatic Centre is pleased to announce that we will be opening for the season! Our **target opening date is July 6**. Dedicated board members have already started working to get the pool emptied so cleaning and filling can begin later this week. There is additional work to get the facility and staff ready to open under COVID-19 restrictions set out by the Government of Saskatchewan and Saskatchewan Health Authority.

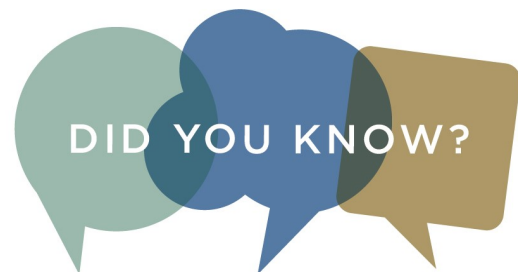

We look forward to the community's support and understanding as we navigate the realities of opening this season. We hope to see people out for some much-needed recreation! Please understand that there will be some changes in the way things are done this year. Some things to expect:

- Lessons for all preschool and up to and including Level 2 will be parent-assisted** - as required by Red Cross. This allows for physical distancing from the instructor, while keeping the safety of the child in mind.
- Please do not arrive more than 5 minutes before your lesson or public swimming.** Staff will be cleaning in between sessions and doors will be locked.
- There will be no season passes this year. We encourage the use of punch cards. We will honour any punch cards purchased this year next summer as well.
- Maximum capacity has been set at 80 people** (including those in the water and on the grass). This may mean a waiting line for those wishing to get in.
- Directional arrows will be visible throughout the facility to help with the flow of traffic. An entrance and an exit door will be marked.
- Hand sanitizer will be provided and patrons are required to use it when entering the facility.
- Patrons are encouraged to arrive in their swimming clothes. Lockers will not be available this year so personal items must be taken out on deck with you.
- Patrons are required to shower before entering the pool, but showers will not be available after swimming. Washrooms will be accessible during your visit by going through the main lobby and into the washroom.
- Physical distancing (2 metres) between family groups is required throughout the facility, including the pool and grass area.**
- Please bring your own chair.** Due to COVID-19 disinfecting requirements chairs will not be provided. Picnic tables will still be available and will be disinfected throughout the day.
- Goggle rentals are not available;** goggles will be available for sale.
- Lifejacket rentals WILL be available.
- There will be no concession items available.** Please bring your own snacks and water.
- Brochures will not be available for handout this year so please check the website for times.

**\*\* Rules are subject to change as current guidelines are updated.** Additional details can be found on the Government of Saskatchewan website [www.saskatchewan.ca/COVID19](http://www.saskatchewan.ca/COVID19).

## Macklin Sabres Football Team Sending Two to the Kamloops Broncos Junior Football Team

Connor Cosh and Nate Fraess have both signed with the Kamloops Broncos, and will be playing football in one of the top junior football stadiums in Canada. These two will bring Macklin football attitude, personality and their own unique abilities to the Broncos. If you have ever watched these two play, you know that you rarely saw Nate with his jersey tucked in, since everyone was trying to grab anything to take him down. You rarely saw Connor's pants fitting, because he refused to wear a belt.

Connor began his football playing days with Macklin Minor Football in grade 6. Connor's passion for the game was evident, I believe began days after birth. Connor was known right away as someone who liked the physicality of football and wanted to be tackled or to be able to tackle someone at all times. Connor played three years of Macklin Minor Football with the Hawks, four years of Macklin Sabres, and three years of spring 12 man football with the Lloydminster Red Dogs.

Connor is a well decorated and accomplished football player; MMF Hawks - 2014 Most Sportsmanlike  
Macklin Sabres - 2017 Defensive Most Outstanding Player & 2018 Defensive Most Outstanding Player  
Lloydminster Red Dogs – 2017 Most Improved Player & 2018 Pride Award.

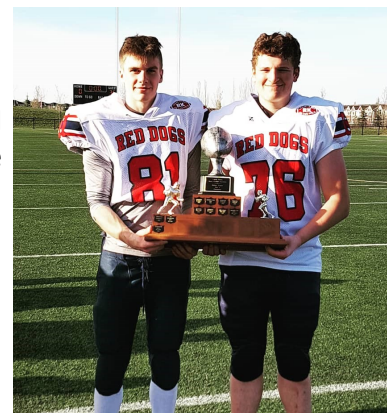

Connor was selected for the 2019 Senior Bowl as one of the top grade 12 six man players in the province, then selected to play to Team Canada in the annual CanAm Bowl in Wakaw in which he helped Canada get a rare win over the Americans.

Nate Fraess also began his football career with Macklin Minor Football. Nate's athleticism was obvious right away, but his drive and toughness is what he is remembered most for. During his years playing football, Nate became difficult to tackle offensively, and near impossible to get past defensively. Nate played three years of Macklin Minor Football with the Hawks, four year of Macklin Sabres football, and three years of spring 12 man football with the Lloydminster Red Dogs.

Nate is also a very decorated and accomplished football player; MMF Hawks – 2014 Offensive Most Outstanding Player & 2015 Defensive Most Outstanding Player  
Macklin Sabres – 2017 Most Improved Player, 2018 Offensive Most Outstanding Player & 2019 Most Outstanding Player  
Lloydminster Red Dogs – 2017 Rookie of the Year Finalist & 2019 Most Improved Player

Kamloops will benefit from having these two smart, athletic and driven football players who will forever be remembered as some of Macklin Football's elite. Good luck boys and make Macklin proud!
