# MUNICIPAL ELECTION 2020

As the November 9th Municipal Election nears the Chamber of Commerce decided to send out the following questions to all Candidates (mayor and councillors) to give the citizens information regarding the nominees they are voting for.

- Candidates Personal Background: Candidate's name, age, family, occupation, education, years living in community
- Involvement in Community: Note organizational involvement (name of organization, number of years involved, demonstrated leadership)
- Why do you wish to be elected to Macklin Town Council (as a Councillor or Mayor)?
- Do you have any specific visions and/or aspirations for Macklin that you wish to share with the electorate?
- If possible, provide a photo

\*All Mayoral/Councillor candidates are listed in alphabetical order in each category\*

**Mayor Candidate:** My name is Patrick Doetzel and I am seeking re-election as Mayor for the Town of Macklin. I have had the honor to serve this community as Councillor and Mayor for many years and I hope to continue to do so. My wife and I made Macklin our home 41 years ago and have had the joy of raising our 4 children in this community. Throughout my years in the community, I have had the opportunity to be involved in many groups and organizations which has given me the ability to get to know the community and the people within it. I have been involved with minor ball, minor hockey and senior hockey where I volunteered in various leadership and coaching roles throughout the years. I have sought out opportunities to enhance and better our community through involvement in groups such as Communities in Bloom, the Macklin Cemetery Committee as well as being one of the founding members of the New Arena Committee, where I was involved in organizing and chaired the House Lottery and Shop Til You Drop fundraisers. It has been truly rewarding to see this endeavor through and how it has positively served our community since its inception.

I am also committed to the ongoing health and well-being of our community through serving on the Golden Twilight Lodge Board, as well as chairing the Medical Clinic Committee. I dedicate many hours to advocating for our community to have appropriate and consistent access to a Doctor or Nurse Practitioner. Presently I am actively pursuing to secure permanent health care in our community. In addition to these formal groups and organizations, I also seek out ways to informally support our community through helping at the Annual Figure Skating Carnival by designing the ice surface, helping to establish the community garden and participating in the annual haunted house fundraiser. In a time where many rural communities face challenges in growth and sustainability, Macklin remains a vibrant community; a community that young families choose to settle in, grow old and retire in. Macklin is my home. Because of this, I am personally invested and dedicated to the continued success of this community and its citizens. I am proud to have served as Mayor of this community and am committed to its continuing momentum. Going forward, with the engagement of the community and town council, I see Macklin continuing to thrive. I see additional opportunities for youth to take part in activities within our community. I envision affordable retirement opportunities with the knowledge of accessible senior housing. I see opportunity for business growth and development as well as enhancement to current infrastructure while ensuring fiscal responsibility. The times may be uncertain, but I feel the experience and leadership I have gained over the years make me believe the future of our community is bright. If given the opportunity, I would be honored to continue serving Macklin as Mayor and continuing in the tradition of it being a great place to call home.

**Mayor Candidate:** My name is Stephen Lowe. I am 39 years old. My wife's name is Kayla and I have 4 children, Kaegan, Darian, Kobe and Fehryn. I have been in Macklin since 2011. I own and operate Lowe Automotive Ltd and have since 2014. I have an Interprovincial Journeyman Certification in the Automotive Service Technician field. I also am trained and certified to the NFPA 1001 lvl2 professional firefighter accreditation. Since I arrived in Macklin I have been very involved in many aspects of town life. You will see me on the ice or diamonds coaching hockey and baseball. If you call 911 quite often you will see me hop out of a firetruck to come help you. If you notice suspicious activity and call the Macklin Crime Watch Division you will likely hear my voice on the other end of the line. If your car needs repair or maintenance most likely you walk through the doors of my business. I am the past president of the Macklin Chamber of Commerce. I have also served on town council for the past 4 years. I do all this because I Love This Town!

My bid for mayor is not about political aspirations. My real reasons are to start building the public's trust with our town leaders again. I want us to be more open and transparent. I want diverse views and ideas for this town. I believe the town is in need of fresh faces in the elected leadership roles.

**Councillor Candidate:**

My name is Greg Bast, I am 34 years old. My wife's name is Kaitlin and my daughter is Natalie. I am an Autobody tech and a Red seal journeyman. I have lived in Macklin all my life. Been on the fire department for 16 years and have been the deputy chief for 5 years. No particular aspirations. Just felt a change could be good for the community.

**Councillor Candidate:** My name is Justin Bast, I am 48 years old, my wife Sheila and I have two sons, Ashten and Andersen who both live in Macklin and work in the trades. Both Sheila and I have lived our entire lives here and attended Macklin School from K-12. After grade 12 I attended SIAST taking Business Administration.

I worked in the oilfield until 2017 when I decided that after 25 years it was time for a break. I worked for BMW Monarch, Weatherford, Midfield/Europump and lastly MRC Global, starting in labourer positions and working my way up from Order Desk to Manager. I finished my oilfield stint with about 18 years of Management experience. The last couple years with the oil patch slow down and then Covid have left me with a good break and reset. I have recently started working at Macklin Rona and am happy to get back out and about.

As far as community service, I have 25 years with the Macklin Fire Department, and have held all positions there from firefighter, Deputy Chief, Fire Chief and am currently a Captain. I belong to the Macklin Crimewatch group and also volunteer time with the Macklin Senior Mohawks Executive. I have 2 previous terms (6 years) of Macklin council experience and very much enjoyed it and planned on returning to service once time allowed for it. I hope to continue our community's forward progress and business growth.

Thank you.

**Councillor Candidate:** Hello , my name is Brad Bogen and I have lived in Macklin for the past 22 years and have been employed in the Oilfield Sector for all of those years. I currently am employed as the Lead Operator for Cardinal Energy out of Chauvin, Alberta. I have been married to my wife, Courtney, for over 9 years now.

I have been a dedicated member of the Macklin Wildlife Federation for the past 13 years. For the past two years I have taken on the role of President of the Macklin Wildlife Federation and served as Vice President for the two years prior to the Presidency role. I take great pride in all the Macklin Wildlife does in the community from the Annual Awards banquet, to maintaining the two trout ponds, to hosting the pancake breakfast during the Bunnock Tournament and lastly the installation of the fence down at the lake. My wife, Courtney, has been a member of the local Kinnette Club for the past 9 years and I have volunteered countless hours to help the club out whenever needed. If elected, I would welcome the residents of Macklin to bring forward any concerns they may have to either discuss with myself or to be addressed at a council meeting.

**Councillor Candidate:** My name is Kevin Fischer. I have lived in Macklin for almost 30 years. My wife, Myrna, and I have two children, Kirsten and Rhett, who attend Macklin school. I currently work for Mantl Canada. I have been on Town Council for 2 terms and am currently on Macklin & District Aquatic Centre Board, Macklin Lake Regional Park Board, Macklin & District Fire Department Board and Macklin Complex Board.

I have volunteered with other extra curricular groups in the community by helping coach and manage hockey, baseball and softball. I also take part in organizing a Rec hockey team.

I am committed to a community that is progressive and able to attract new families and businesses while supporting and maintaining our existing businesses and services and current community members. I encourage the development of infrastructure to support our local business owners and community members to ensure a prosperous future for everyone who resides in Macklin. I believe in the delivery of essential services so all community members are able to acquire all of life's necessities in their home community.

**Councillor Candidate:** My name is Nicole Harbaruk Syverson and I am running for town council. I thought I would let you know a little about who I am and what I would like to accomplish if elected. I am 46 years old and was born and raised in Macklin. My parents, Bernie and Larry Hauck, owned a grocery store and the Sears office when I was growing up. After completing my schooling in Macklin I moved to Edmonton, AB and took Petroleum Engineering Technology and Fourth Class Power Engineering. I moved north to Rainbow Lake, AB briefly for work and then returned to Macklin to raise my family. While my kids, Tyler and Brenna, were growing up I was a member of various community groups. Some of them were the Kinnette Club, Macklin Soccer Association, Communities In Bloom, Macklin Care-A-Lot Playschool, Moms and Tots and the Cemetery Committee. I currently work doing Quality Control for an oilfield construction company, sub as an EA at the school and in the summer I manage the swimming pool in town. Some of the things I want to work on if elected to council are attracting new people and businesses to our community which in turn provides local employment opportunities. I think long term planning is important for the sustainability of our community. Healthcare and safety for our community members is also a high priority to me. We need them both to keep our community strong.

I have been fortunate to be part of a lot of great organizations/committees and the networking, access to ongoing learning, and space to share expertise while being part of change have always been great motivators for me. I wish to be elected to the Macklin Town Council as I think my experience with governance would be a great asset and I believe I can offer new and varied insights and perspectives to strategic planning for our community. If elected, I would be dedicated to ensuring I represent ideas and concerns as free of bias as possible so as to keep decision making beneficial to the community at large and not focused on individual gains. **Councillor Candidate:** Hello my name is Wendy Weinkauf and I am running for a seat on the Macklin Town Council. I am 44 years old and currently work at Macklin School as the librarian. I was born and raised in Macklin and went on to complete a four-year degree in Psychology at Augustana University College in Camrose. Following university I worked as a school counsellor at Provost and then worked as a Counsellor/Program Coordinator/Campus Manager throughout Prairie West/Great Plains College. Throughout my career with the college, I moved to Kindersley, Biggar and finally back home to Macklin in 2009. Whether in Macklin or in the other communities I have lived, I have always believed in being involved in the community. In Kindersley, I represented the college on the local Chamber of Commerce and chaired the annual Goose Festival and started my participation in Kinettes. As a Kinette, I had the privilege to serve as a representative of the Kinsmen Foundation for our zone as well as two terms as a Deputy Governor. As a resident of Biggar, I served on the board of the Biggar Family Centre and Biggar Group Home as well as representing staff as our bargaining chair on union negotiations and the SGEU provincial council. Since moving back home in 2009, I have continued to volunteer in the community. I have been a member of the Macklin Library Board and Arts Council and continue to serve as a member of the Macklin Kinette Club, entering my 16th as a Kinette. I am currently a member of the Macklin Hall Committee, Macklin Adult Drama and a caller for the Macklin

Bingo Association. As a staff member of Macklin School, I am a co-advisor for the yearbook committee and SADD (Students Against Drinking & Driving).

Anyone who knows me could tell you that I love quotes and one of my favorites is "When you know better, you do better." I would like to be elected to Town Council because I want to learn more about how decisions are made that affect our town, our lives and our future. I want to use that knowledge to help shape the community and continue to make it a place where people want to work, live and raise their children. I believe my purpose is to simply serve the community and ensure that residents have a voice at the table, because it shouldn't be about one person's vision – it should be about a community vision. Although.... If I'm going to take over the world someday, I need to start somewhere ☺ Thank you for taking the time to read this and regardless of who you choose to vote for, please vote.

## Letter from the Chief

Hey Everyone. November is already here. In some ways it has been a very fast year and in some ways it has been a long one. I think most of us are ready to turn the calendar to 2021 and hope it is a more normal year.

Remember we are all in this together and kindness and patience are going to go a long way in helping all of us get through this.

October was fire prevention month. I hope you all took a little time to check your smoke detectors and reviewed your fire escape plan at home with your family. We did visit the school again this year. It was quite a bit different than what we have done in previous years. Instead of having the kids come to the hall, we set up a small display in the parking lot by the school and had the kids come out and hear our lessons outside. They were asked to review some information as a class and watch a short video then we would answer any questions they had. They are a bright bunch of students and they had some great questions. I would like to thank the teachers and students from Kindergarten to Grade 3 for taking the time to come see us. I hope you all learned something about Fire Safety in the Kitchen. I would also like to thank Elliott Cline and Cody Heffner for taking time off work to spend a day with the students and staff. Very much appreciated men!!!

November is also a good time to check the condition of the tires on your vehicles. If you have winter or ice tires it is a good time to install them. Also make sure your car is ready for winter with proper antifreeze, a working block heater and that your heater and defrost functions are working properly. Putting an extra blanket and some extra warm cloths in your vehicle is also a great idea. These are simple things that are easy to do and you will be a lot more prepared for the first time old man winter takes a punch at us!!

Be safe out there everyone.  
Have a great month!!

**Remembrance Day Ceremony**

The Royal Canadian Legion, Branch #90 is sad to announce that there will be no public Remembrance Day Service at Macklin or Unity this year because of the pandemic, and age of our participants. Instead, a small service will be held at the Unity Legion for members and a few invited guests. You are however invited to participate with the public by watching the TV broadcasts of National and Provincial Ceremonies, as they are held at Ottawa, Regina and others you may find online.

The annual wreath/cross campaign will still be taking place, but the legion is asking businesses, families, and groups who would like a wreath laid in memory of a loved one or departed Veteran, to please contact the legion or members by Nov 8th. Payment for wreaths/crosses, or just a donation can be submitted to Lorne Kohlman in Macklin at 306-753-7462, or Mike Wildeman in Unity at 306-228-2137.

Anyone wanting to lay a wreath, is asked to present them on their own time on Nov. 11th, at the cenotaph or gravesite of their choice. Feel free to visit our gravesites and cenotaph after 6 pm to view the luminaries put out by our members in honor of our fallen comrades. The Legion would also like to announce that the poppy trays will again be distributed to businesses in the area for your convenience. Please support and wear a poppy in remembering our fallen and departed Veterans.
