### Commemorative Benches available at Lakeview Cemetery

Macklin Lakeview Cemetery is developing a Columbarium section. Included with the design is the installation of 5 granite benches that will be permanently installed for use by visitors. These granite benches have been constructed to allow for memorial plaques to be permanently attached.

The Lakeview Cemetery Committee wishes to make these memorial benches available to families wishing to have a long-lasting commemoration for their loved ones. There will only be five of these benches, so the committee has decided to make them available for purchase proposals on a limited time basis. If more applications for purchase are received than the available benches a lottery selection will be used to determine the approved proposals.

Each commemorative bench is valued at \$1,000.00 which includes installation and a bronze dedication plaque. The bronze plaque is 3' x 18' and can accommodate three lines of text. To submit a purchase proposal please forward an expression of interest to:

## Light 'Em Up!

Sunday Aug. 18, the Macklin Minor Football Association hosted a "Light 'Em Up" evening to officially light up the new lights on the football field.

Many parents, grandparents and players new and old came out to celebrate. The Sabres football players ran some competition drills, then split up for a mixed game of flag football (ages 6-18).

Right after sunset the crowd counted down for the official Light 'Em Up, 3..2..1..the lights came on, cheers then fireworks!

It was a great night to kick off what will be an exciting season of football under the lights.

ALL games will be played later at night under the lights. Check out our home game schedule. Come on out and cheer on the Hawks and Sabres and enjoy a burger while you're there!

## SENIOR LAKERS HOST PROVINCIAL CHAMPIONSHIP

The Sr Lakers looked to continue their season success on home field while hosting the AA Tier 3 Provincial Championship on Aug 9-11<sup>th</sup>. After winning Tier 5 last year and getting bumped up to Tier 3 this year, the guys knew it wasn't going to be an easy task. The teams competing were Wilkie, Unity, St. Hill, and last year champs the Cabri River Rats. Game one saw your Lakers win a thriller in extra innings 8-3 against Cabri. Game two saw another complete team effort beating Unity 9-6. Game 3 went sat at noon against the rivals from St. Hill who beat the Lakers in the league final. After the dust settled the guys won a nail biter 10-9, to book their ticket into Sunday's final. The last round robin game was played against the Wilkie Brewers. The guys played a bit too loose and the score showed in the losing affair 9-3, setting up the Gold Medal game to be played Sunday against the very same Wilkie team. Lakers took the field in the gold medal game as the visitors. With the stands packed, horns blaring, sheer determination on their faces, the lakers broke a 3-3 tie in the 4<sup>th</sup> inning opening the game up 8-3. Top of the 7<sup>th</sup> inning saw the bats come alive yet again scoring insurance runs and ultimately putting the game away with a final score of 15-4, completing their goal and becoming Provincial Champions. Champagne was popped, celebrations were had with all players, coaches, family, friends, and the best fans in the province.

The Lakers want to thank all the sponsors, volunteers, family, friends, and fans for helping them make the season and the weekend a huge success.

## MACKLIN KINETTES

The Macklin Kinettes were busy this past month preparing for and working the beer gardens at the annual World Bunnock Championships held every August long weekend. The money we raise during the weekend helps us to support organizations, projects and individuals in the community. Last year, our donations went to the following recipients: West Central Crisis Centre, Macklin Minor Hockey, Macklin Arena, Macklin Park Project, Macklin Minor Ball Association, Macklin Fire Department, TeleMiracle 43, Prairie Sunset Music Festival, Camp Easter Seal, Make-A-Wish Foundation, Macklin Kinette Bursary, Children's Wish Foundation, Alliance Pipeline Aquatic Centre and personal recipients. In total we donated \$17,780.24 back to the community.

We could definitely not do this without the support of the following: Big John's Septic Services (Jon & Tara Kohlman), Macklin Minor Ball, Delta Co-op, PCM Artificial Lift Solutions, Robin Cosh, Justin Kohlman, Greg Mierow, Derek Wildeman, and all of our volunteers for working shifts. Thank you to everyone who supported our beer gardens and we hope to see you next year!

If you would be interested in joining our club, we meet the 3<sup>rd</sup> Monday of each month from September – June in the upstairs meeting room at the Macklin Communiplex at 7:30PM. Our club is open to women and men age 19 and older. Our next meeting is September 9<sup>th</sup> and everyone is welcome to come check us out!

*Thank  
You*

*We would like to thank all our friends,  
neighbors and family who helped us celebrate  
our 60th Wedding Anniversary at  
St. Donatus. We appreciate all the lovely  
cards, beautiful messages and warm wishes  
from the community.*

Thank you to everyone who made it possible for the 85 children attending Macklin Vacation Bible School's "Awesome God" to journey with Moses on an awesome adventure. ## 13U Boys take Silver at Provincials

The PeeWee 13U boys had a fantastic , short ,busy ball season.

To Start out we had two strong house teams until the middle of June then made one team with 11 boys with a provincial banner in mind.

The boys played Lloyd AA ,Lloyd AAA prairie pirates, Battleford , Unity & Rosetown. We Also entered & did well in a Saskatoon & meadow lake tournament.

July 26-27-28 boys were off to Unity AA tier 1 provincials The boys came to play and play amazing they did.

Defeating Moose Jaw, Muenster Red Sox & Saskatoon Cyclones coming out first in our pool.

Semi finals vs the home town Unity beating them and moving on to finals against Muenster Red Sox AGAIN but this time unfortunately came up short Muenster went home

with gold & our boys were happy to bring home a well deserved silver medal. Good job boys!

## ***Creator God—God of Drama***

***by Susan Conly***

Jim and I are Prairie people, familiar with gently rolling hills, little streams that chuckle across the pasture in springtime, far-stretching unbroken plains and the boundless horizons that give us our Prairie perspective.

In the summer of 1995 (24 years ago!!) we planned a tour through some of the U.S. National Parks and the Grand Canyon was high on our list of expectations and in order to appreciate it we did our homework. We read books and brochures, we knew all the statistics. Confident, we knew what to expect — we were ready for the Grand Canyon.

But the reality defied our imaginations.

Suddenly, dramatically, it opened before us, this 27.7 mile-long, mile-deep gorge; 18 miles wide, with the Colorado River far below, still snaking and slicing its pathway through solid rocks as it has been doing for some 20 million years. Its phenomenal abyss far below, could barely be seen from the Canyon rim but later as we flew over the Canyon in a Twin Engine Viscount, (“Canadian Made” or I would never, ever have been brave enough to take that flight!) we could see its magnificent panoramic sweep of breathtaking beauty; it was awesome.

Terra cotta Canyon walls, the rushing river far below, and off in the distance the labyrinth of giant coral-pink buttes, the gigantic pinnacles and spires still being sculpt and carved by weather.

Scientists still don’t entirely comprehend the 1.5 billion-year history of the Canyon; it’s a story of erosion that has created one of the most breathtaking sites in America.

Billions and billions of years of geological time exposed in a rainbow of ever-changing colours. My mind could not encompass the drama of over-whelming power or of all the elemental forces displayed in this on-going creation. Only a God of drama could stage a show like this!
