Letter from the Chief

Hello everyone! September already!!?? Where did the summer go? I hope you all had some good summer fun and got a little bit of holidays somewhere. Interesting times we are living in and it was kind of hard to plan the usual getaways.

I hope you all weathered the hail storm with out too much serious damage. Please remember if you see trees fallen onto power lines this is a very serious situation. These power lines can be energized at any time as the power companies try to figure out where all the problems are. In the hail storm they had power lines and poles down in at least 3 different areas. Remember to keep you and your little ones far back from these kinds of scenes. Hats off to SaskPower for working through the night with several crews and having power restored to so many homes in town before sun rise. Thank you !!

Harvest will soon be here and with that the usually safety reminders. Be aware of farmers on the roads with the big equipment they use to get their crops off. These big machines travel slower and take up a lot of road space. Please use patience and common sense when you are driving near them. Remember the operator of the machine may not be able to see you so take your time and use extra caution !!!

Also, as fall gets closer remember the grass and stubble starts to dry up again. Use extra care when burning garbage, having camp fires or back yard fires. Never leave these fires unattended and make sure they are out and cold when you leave. Never throw cigarette butts when you are travelling. We have seen many grass fires started this way!!

Have a safe fall everyone. Good luck to the teachers and students as they get ready to start the new school year. I hope your year will be as normal as can be in these crazy times!!!

Pat G. Stang, Fire Chief
Macklin & District Fire Rescue

IMPORTANT PLEBISITE NOTICE

Cannabis Retail Outlet

In April 2020, the Province of Saskatchewan removed the 2,500-person population threshold from the Cannabis retail outlet guidelines. Applications can now be made to the Saskatchewan Liquor and Gaming Authority (SLGA) for permits in communities less than 2,500 populations. The supply of cannabis for permitted retailers will continue to come from permitted wholesalers and federally licensed producers registered in Saskatchewan. Applicants will need to meet local municipal requirements including zoning.

The Council for the Town of Macklin began to have active discussions on how to proceed with any potential Development Permit applications. **Currently the Town of Macklin does not have any active applications for a Cannabis Retail store.** However, draft Zoning Bylaw changes were presented for community discussion at a Public Meeting held July 13, 2020. Communities may opt out of having cannabis retail stores in their community and Council felt unsure about deciding on behalf of the community.

Following the public meeting Council requested Administration to prepare a plebiscite question to be used during the 2020 civic election proceedings. Under Section 130 of *The Municipalities Act*, Council may submit to a vote any matter that the Council determines affects the residents of the community. A plebiscite vote does not bind the Council to action but is intended to provide Council with direction based upon most community residents.

The question that will be asked on the ballot is:

Resolution No. 1:

That the Town of Macklin permit the operation of a legal cannabis retail store and amend the Zoning Bylaw in areas zoned for commercial business:

_____ YES

_____ NO

If you vote "Yes" to the above question, you may vote to clarify your location preference:

_____ Yes, in all commercial areas of the community.

_____ Yes, but only in the north commercial and industrial areas

This vote shall be conducted in accordance with The Local Government Election Act; therefore in order to vote you must meet the following qualifications:

Municipal Electors:

5. On the day of the election you must:

- (1) Be a Canadian Citizen
 - (2) Be the full age of 18 years;
 - (3) Have resided for at least three months in, or on land now in, the Town of Macklin;
- Or;
- Have been the owner for at least three months of assessable land situated in the Town of Macklin;
- (4) Have resided in Saskatchewan for at least six months.

As is customary in all municipal elections, there will be an advance poll and a voting day approved by Council. This voting day may not happen sooner than eight weeks from the posting of this notice. There will be further public notice as dates and times are established.

Grass Clippings and Compost

It is the responsibility of each property owner to dispose of any grass clippings or compost material.

There is an area designated for this at the waste transfer station where compost materials may be emptied from their bags and deposited at no charge.

It is **not** an acceptable practice to place compost or grass clippings along the back alley or lane adjacent to your property.
