### Optometric Mission Trip to Colombia

In early May, I travelled to Colombia to volunteer on an optometric mission trip. During my trip, myself and 12 other optometry students from Southern College of Optometry (SCO) provided eye exams to underprivileged people in the city of Cartagena. The exams provided the patient with a glasses prescription, exam of the health of the eye, referrals for surgery if needed and donated ocular medication and glasses if prescribed. Our group was a part of a club from our school called Student Volunteers in Optometric Service to Humanity (SVOSH), which has been organizing trips like these since 1975. This year, the club organized 5 different trips to various Central American countries and was able to serve approximately 4,300 patients. On my trip alone, we saw around 1,400 patients in 4 days. It was overwhelming to see how grateful the people were for just a simple eye exam. I really enjoyed being able to work the optical station of the clinic, because you could see how appreciative and excited each person was to receive the donated glasses and sunglasses.

SVOSH and its student members could not have organized or funded this trip without the support from various different groups and organizations. In the host countries, SVOSH depends on local Lions Clubs to organize the clinic, arrange translators and make sure the people in the area know about the clinic. At home in the USA and Canada, different clubs and organizations help support this club through monetary donations, glasses, sunglasses or ocular medications. In January and February of this year, the Macklin Kinettes helped support SVOSH by making a generous monetary donation and collecting around 1,400 glasses from Macklin and surrounding area. I would like to take this time to thank the Kinettes and the community of Macklin for supporting me on this worthwhile mission trip.

### **\*\*HISTORICAL FACT\*\***

The game of Bunnock was first introduced to Canada by the Russian Germans. There are several versions of how the game originated. One of them is that the game was developed in the early 1800's by the Russian military. Some old timers remember stories told by their elders relating how the Russian soldiers posted in the frozen tundra of northern Siberia, found the time endless. To help pass the time they tried to play horseshoes, but all too often they found it impossible to drive the peg into the frozen ground. With a little ingenuity, or was it sheer luck or boredom, some of the Russian soldiers discovered that the ankle bones of a horse could be set up on the frozen ground and so a new game called Bunnock (Bones) was born.

Sandy also volunteered his time and equipment to hydrovac the holes out in order to put the posts in for the signs. Again, from the executives to all the managers, coaches and players of the teams, THANKS.

## Letter from the Chief

Hi all! Welcome to Summer. It is here!! Graduation is here also. Congratulations to all the Grade 12's as they take the next big step in their lives. It is an exciting and maybe a bit daunting time in your lives. Good luck to all. I know with this time of year, there is a lot of celebrating going on. Please remember to always plan a safe way home for you and your guests!! Way to go Class of 2018!!!

Summer also means camping season starts spooling up. Remember to check your truck and trailer to make sure everything is working properly. Sometimes a quick check of the lights, brakes, tires and safety chains can make a holiday go a lot smoother and stress free. Take the time to do a pre-trip inspection of your equipment well in advance of your departure day. It is well worth it!!

Happy & safe holidays campers! Have a great summer everyone!

June 23rd was one of the best training days the Macklin Fire Department has ever had. Involved pump operations, numerous search and rescue scenarios in non-live environments and then we were able to conduct multiple live fire drills. Members were able to watch various conditions develop within each bedroom. Invaluable information and experiences were learned by all. Thanks to all the members who came to train and a huge thanks to the Reichert's for offering this structure for our training needs.

## Memories

*by Susan Conly*

Memories! As I stood in our New Horizons Centre the other day, after an absence of months, memory slipped back to the beginning years of this Centre.

As always in any new endeavor, we needed money for the basic operational expenses. On the Board of Directors was a lady from Evesham, (Mrs.) Bea Roadhouse. Bea was a mover; her philosophy was “stop moaning, get going”. Interested in quilt-making, she organized a group of women, delegated out a few essential jobs and they were off!

On October 13, 1976, Marg Smith purchased the first quilting material for \$19.62. The number of batts purchased in the next order, 12 @ 2.98, indicates there was to be no looking back; within a week, the sale of the first quilt, \$15; soon a second sale, \$35, to Mary Mawbey. This was the beginning. Bea retired from the Board in 1979 and asked that Catherine Roadhouse replace her as the Director in charge of quilting. Many interesting and beautiful designs have been used by the Quilters through the years, but the most popular has been the Lone Star. In the spring of 1982, the first Lone Star was completed. I bought it; it has been in use ever since. Often laundered, it comes out fresh and bright--quality material, quality workmanship. Revenue, for 28 years from the quilts, was \$41,100.

Other ladies who devoted their time to this fund-raising were: Martha Conly, Joy Henderson, Eugenia Stang, Edna Dawson, Bertha Rowein, Barbara Walch, Frances Shapka, Ann Partington, Marj Beaumont, Vi Lisch, Nee Partington, Christina Reschny, Ethel Blue, Myrtle Mills, Reta Keindel, Mary Meakin, Barbara Kloster, Kay Zerr, Tilly Gallinger, Mrs. John Kloster. I've struggled to include all those who were part of Macklin Town & Country Quilters through the years, but I may have missed some names. If I have, let me know so the records will be complete.

And the ladies, getting fewer in number as years rolled by, quilted every Wednesday afternoon for years.

I remember, clearly, one day when finances were at an all-time low, saying, “If I survive this, if we ever get this effort off the ground and this Centre is still in existence 30 years from now, I shall have a “thank you” supper for the whole blessed bunch that are still hanging in there.”

Here we are, 2018. “Thank you” to all of you, every member, old-time or new. We have a great organization. Come in and check out the Centre, organized solely for the benefit of our community. If you wish, become a member. You may have an interest in quilting, if so, how about starting another quilting group--or “just come” to enjoy any of the other activities at the Centre.

This July our Centre will celebrate its 42nd anniversary.
