LOCAL MARKET IDEAS??

Do you have locally grown produce or specialty products to sell? The Town of Macklin is looking for individuals to create an organizing committee that will assess the feasibility of establishing a local farmer's market. We envision a farmer's market that is an enjoyable gathering place, a source of healthy local food and locally crafted items.

If you are interested in assisting in pursuing this opportunity, please contact the town office at 306-753-2256 or Town.macklin@sasktel.net

Would you like to see a community garden space for the use of our community members? Let us know your thoughts.

PICKUP ON MAIN STREET

by Susan Conly

It happened on Main Street on an evening when the world went hilariously crazy. We all remember the day, the end of WW11. I didn't see this thing happen, —my friend Tom told me about it. It began on Main St. as thousands of people milled around, shouting, singing, dancing.

Tom was standing watching the crazy crowd when he saw it—boy meeting girl; a lonely young airman in a strange city, three RCAF ribbons on his uniform; the girl, pretty in a flowered dress, hat and gloves. They met, passed, stopped, turned, looked at each other, smiled, he said something; the girl said something and started to move on, hesitated, turned back, he touched her arm, said something. She let him take her hand. One last flash of the ribbons on his jacket, one last ripple of her dress, the tap of her high heels and they were gone together, lost from sight in the jubilant crowd —typical pickup.

And, thought Tom, they would find the relief from loneliness they were looking for. They would go into a bar, have a drink or two, go into some crowded restaurant for something to eat.

Tom said he thought of them again later in the evening, thought of them in the hesitant, youthful rapture these hours would bring, their voices lower, more intimate now over their coffee, then walking hand-in-hand along streets where people laughed in celebration, eventually riding up in the elevator to the room where he stayed, there they would snuggle together as young people do in times of peace, but more readily, more urgently when the guns are still echoing in their ears.

There would be the pleading, the denial, finally the consenting—a passion so overwhelming at the moment. Next morning, they would part each going their own way— later to be filled with regrets, remorse. That is how Tom thought it would be with them as he walked on among the crowd; thinking all the heartbreaks of war are not on the battlefields—there are the broken promises to loved ones waiting at home. After an hour or so, Tom found himself near St. Paul's Cathedral. He climbed the steps. Within, all was quiet; people at prayer. He turned to look back at the screaming throngs on Main Street.

It was then that he saw them again. Saw them step out from the crowd—the airman with the ribbons, the girl with the high heels. They stopped, looked at each other; then made their way up the steps into St Paul's Cathedral, got down on they knees, side by side.

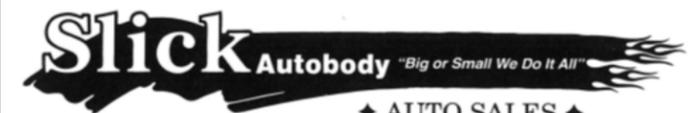

And Tom saw them praying there together.

Multi-year Street Improvement Plan Approved

The following is a condensed version of the report issued from the August 21, 2018 public meeting hosted by the Saskatchewan Municipal Board Local Government Committee. A copy of the complete nine-page report can be found on the Town of Macklin website www.macklin.ca

The Town of Macklin applied to the Saskatchewan Municipal Board for approval to complete a multi-year street pavement project. The project proposed included the installation, renewal or replacement of pavement and sidewalk and/or curb and gutter in various areas of town. The towns application was submitted under subsection 5(1) (c) of *The Local Improvements Act, 1993* whereby specially assessed property owners do not have the right to petition against the project.

The Town-to-property owner ratio of the costs to be specially assessed against property owners for pavement is two-thirds Town to one-third property owner and for sidewalk is one-third Town to two-thirds property owner. The total cost of the project is estimated to be \$6,181,419 with the Town of Macklin's share \$4,151,703 and Property Owner's share \$2,029,716. The estimated special assessment rates proposed by the Town to be levied are based on the number of lineal metres of frontage of lands benefitted; Pavement \$150 per lineal metre of frontage and for sidewalk \$115 per lineal metre of frontage.

The Committee found that the Town's local improvement proposal is equitable within the framework of the Act and the costs are proposed to be shared equally among the properties affected. Therefore, the Committee approves the decision of Council to proceed with the multi-year local improvement project with one condition:

"The rates levied against benefiting property owners for both pavement and sidewalk projects shall remain the same throughout all years of the projects as those levied in the first year (proposed as 2018), considering the projects are not proposed to change from year to year. If necessary, additional (non-inflationary) costs are incurred beyond those forming the basis of property owner levies in the first year of the projects are eligible under section 16 of Act, such necessary, additional costs could result in increased levies in future years."

SENIOR GIRLS ON WINNING STREAK

The Macklin Senior Girls' Volleyball team had tryouts September 3, 4 and 5. The team consists of three grade 12's (Shayna Baier, Jayda Thomas and Chelsey Erker), two grade elevens (Emma King and Devyn Steinhubel) and six grade 10's (Emma Stang, Chloe Sieben, Amy Deck, Kylie Stupka, Leah Weinkauf, Olivia Farkas).

The girl's first tournament of the year was in Nipawin. The tournament consisted of Carrot River, Meath Park, Kinistino, Davidson, Nipawin, Hudson Bay, Wadena, Hafford, Tisdale, Foam Lake and Raymore. The girls beat all comers, only losing one set to Foam Lake 26-24.

The team's second tournament was in Rosetown September 14 & 15. The girls beat all the teams in their pool, two straight sets, (Rosetown, Kerrobert and Leader) to finish first in their pool. They went on to beat Wilkie in the quarterfinal two straight. Then proceeded to play the hometown team once again in the semi-final and once again the girls were victorious. This advanced them into the final against Outlook. The girls lost the first set 25-23, but went on to win the next two sets 26-24, 15-13 to win the GOLD!

The girls were off to Maidstone Mega Volley on September 20 and 22. The girls won every match Thursday night, 2 sets straight, defeating Turtleford, Lashburn and Paradise Hill. The girls were in the gold pool Saturday and beat all the teams they faced 2 straight again (Maidstone, St. Walburg) placing them first in Gold 1. The girls had to play Gold 2 championship, which was Wilkie. The girls lost the match sending them to the bottom of the championship pool. The girls won their way back to the final. Having to play Wilkie once again. The girls wasted no time and were up on Wilkie the entire match. The girls played their best ball of the weekend. This propelled them to be champions of the 24-team tournament, which has not been done since 2014.

The girls have been in three tournaments winning all three. There will be some huge challenges in the upcoming weekends. The Senior Girls are in Kerrobert (September 28/29), Meadow Lake (October 12/13), North Battleford (October 19/20) and then finally their 12 team home tournament (October 26/27). After their home tournament, they will start playoffs with Conferences November 3. If they finish top two at conferences, they advance to Regionals the following weekend (November 9/10). Then once again, if they finish top two, they are off to the 3A girls provincials held in Carrot River/ Nipawin (November 16/17)

JUNIOR GIRLS VOLLEYBALL

This years Grade 8/9 Jr. Girls Volleyball Team has been working hard and continuously improving with many wins throughout the season. They began the year with a bronze medal win at the Wilkie Tournament, a Silver Medal at Maidstone's Megavolley tournament and another gold medal at their home tournament last weekend. The girls are off to Unity to compete in conferences and will hopefully be heading to districts next week. This years team consists of 12 very talented athletes. Trista Krieger, Summer Stang, Ava Friedrich, Kamryn Baier, Hannah Veller, Caydence Sunduk, Delaney Friedrich, Blair Heck, Shelby Cowie, Reese Weinkauf, Cassidy Reschny, Olivia Golden and coaches Kristy Gloe and Tiffany Kohlman. The girls are all proud of their successful year and look forward to finishing off their season strong.

Macklin Museum 12th Annual Haunted House

On Thursday and Friday, the Macklin and District Museum held another successful haunted house. With the tremendous help of veteran and novice volunteers we were able to entertain and scare young and old alike. The creativity of the volunteers as they set the stage for their individually themed rooms is truly appreciated. We would also like to thank those of you who were "brave" enough to venture through the house. Your support helps cover some of the operating costs of the museum. Hope to scare you again next year!

Macklin & District Health Foundation Annual Pumpkin Walk

On Friday, October 26 Macklin & District Health Foundation hosted its first annual Pumpkin Walk. There was one group and several individual displays. A good turnout was reported with viewers continually in attendance enjoying the Harry Potter Pumpkin juice and cookies available for sampling. Justin Kohlman's entry won the most votes for the best carved pumpkin earning him Fifty Macklin Bucks. Congratulations, Justin and thanks to all entrants!

Letter from the Chief

Hello All!

It has been a very busy October at the hall. On October 9th and 10th we had over 150 kids from playschool to pre-k to grade three visit us at the Firehall. They learned about fire safety, smoke detectors and how to practice home escape plans. The students are always so excited to come see us and we enjoy having them as well. Cody Heffner and I were the instructors this year. The winner of the ride to school was Rayelle from the Grade 2 Class. She was a real pleasure to have in the truck. She never stopped smiling and asking questions the whole time. Thanks Karen Stang for helping schedule the classes. Thank you Justin Bast for assisting me that morning!! The ride to school was done on Oct 17th and is always a very special day for us at the department!

On Oct 23rd our new truck arrived in Macklin ahead of time and on budget. This is the result of many long hours of meetings and planning!! Thank you to Leo Stang chairman of the fireboard and all the members that have or are still serving on this board for their time and dedication. Thank you to Justin Bast for putting together a 10 year plan that ended in 2019 with a new truck. Thank you to Stephen Lowe for all the time you gave up working with Acres Emergency Vehicles to iron out the hundreds of little details involved in building this truck. Thank you to Acres Emergency Vehicles for being such a pleasure to work with right from day one and delivering such a well built truck. Thank you to the local firefighters and their wives for their patience and dedication to our Department. New trucks are only as good as the crew that trains and operates them. Thank you firefighters!!! The old yellow Dodge will be retiring after 42 years of service. It will be put up for tender in Spring. If anyone has any questions about or would like to see the new truck please feel free to contact me or any other member of our department.

Remember it is very dry in the ditches and fields right now. Please do not throw cigarettes out while driving!!

Pat G Stang, Fire Chief, Macklin & District Fire Rescue

On September 9th, 2018, a wonderful celebration of confirmation was held with our new Bishop, Mark Hagman. Continued blessings to our young participants in your newly confirmed life.

Great Christmas Gift Idea!!
